Washtenaw County Road Commission Cafeteria Plan

INTRODUCTION

The company amends and restates this Plan as of January 01, 2017 with an original effective date of January 01, 2011. Its purpose is to provide benefits for those Employees who shall qualify hereunder and their Dependents and beneficiaries. The concept of this Plan is to allow Employees to elect between cash compensation or certain nontaxable benefit options as they desire. The Plan shall be known as the Washtenaw County Road Commission Cafeteria Plan (the "Plan").

The intention of the Employer is that the Plan qualify as a "Cafeteria Plan" within the meaning of Section 125 of the Internal Revenue Code of 1986, as amended, and that the benefits which an Employee elects to receive under the Plan be excludable from the Employee's income under Section 125(a) and other applicable sections of the Internal Revenue Code of 1986, as amended.

I. ARTICLE - PLAN DEFINITIONS

1. **"Administrator"** means the Employer, unless another person or entity has been designated by the Employer pursuant to the Article titled: "Administration" to administer the Plan on behalf of the Employer. If the Employer is the Administrator, the Employer may appoint any person, including but not limited to the Employees of the Employer, to perform the duties of the Administrator. Any person so appointed shall signify acceptance by filing written acceptance with the Employer. Upon the resignation or removal of any individual performing the duties of the Administrator, the Employer may designate a successor.
2. **"Benefit"** or **"Benefit Options"** means any of the optional benefit choices available to a Participant as outlined in the Article titled: "Benefit Information".
3. **"Cafeteria Plan Benefit Dollars"** means the amount available to Participants to purchase Benefit Options as provided under the Article titled: "Benefit Information". Each dollar contributed to this Plan shall be converted into one Cafeteria Plan Benefit Dollar.
4. **"Code"** means the Internal Revenue Code of 1986, as amended or replaced from time to time.
5. **"Compensation"** means the amounts received as compensation by the Participant from the Employer during a Plan Year.
6. **"Dependent"** means any individual who qualifies as a dependent under an Insurance Contract for purposes of coverage under that Contract only or under Code Section 152 (as modified by Code Section 105(b)). Any child of a Plan Participant who is determined to be an alternate recipient under a qualified medical child support order under ERISA Sec. 609 shall be considered a Dependent under this Plan.

"Dependent" shall include any Child of a Participant who is covered under an Insurance Contract, as defined in the Contract, or under the Health Flexible

Spending Account or as allowed by reason of the Affordable Care Act.

For purposes of the Health Flexible Spending Account, a Participant's "Child" includes his or her natural child, stepchild, foster child, adopted child, or a child placed with the Participant for adoption. A Participant's Child will be an eligible Dependent until reaching the limiting age of 26, without regard to student status, marital status, financial dependency or residency status with the Employee or any other person. When the child reaches the applicable limiting age, coverage will end at the end of the calendar year.

The phrase "placed for adoption" refers to a child whom the Participant intends to adopt, whether or not the adoption has become final, who has not attained the age of 18 as of the date of such placement for adoption. The term "placed" means the assumption and retention by such Employee of a legal obligation for total or partial support of the child in anticipation of adoption of the child. The child must be available for adoption and the legal process must have commenced.

7. **"Effective Date"** means January 01, 2011.
8. **"Election Period"** means the period, established by the Administrator, immediately preceding the beginning of each Plan Year, such period to be applied on a uniform and nondiscriminatory basis for all Employees and Participants. However, an Employee's initial Election Period shall be determined pursuant to the Article titled: "Participant Elections".
9. **"Eligible Employee"** means any Employee who has satisfied the provisions of the Section titled: "Eligibility".

An individual shall not be an "Eligible Employee" if such individual is not reported on the payroll records of the Employer as a common law employee. In particular, it is expressly intended that individuals not treated as common law employees by the Employer on its payroll records are not "Eligible Employees" and are excluded from Plan participation even if a court or administrative agency determines that such individuals are common law employees and not independent contractors.

The term Employee shall include leased employees within the meaning of Code Section 414(n)(2).

13. **"Grace Period"** means the two and one-half month period after the end of the Plan Year. The Grace Period allows a Participant with unused funds or contributions to be reimbursed for expenses incurred during the Grace Period. The effect of the Grace Period is that a Participant has up to 14 months and 15 days to

use the funds for the Plan Year.

14. **"Insurance Contract"** means any contract issued by an Insurer underwriting a Benefit.
15. **"Insurance Premium Payment Plan"** means the plan of benefits contained in the "Benefit Options" section of this Plan, which provides for the payment of Premium Expenses.
16. **"Insurer"** means any insurance company that underwrites a Benefit under this Plan.
17. **"Key Employee"** means an Employee described in Code Section 416(i)(1) and the Treasury regulations thereunder.
18. **"Participant"** means any Eligible Employee who elects to become a Participant pursuant to the Section titled: "Application to Participate" and has not for any reason become ineligible to participate further in the Plan.
19. **"Plan"** means the flexible benefits plan described in this instrument, including all amendments thereto.
20. **"Plan Year"** means the 12-month period beginning January 01 and ending December 31. The Plan Year shall be the coverage period for the Benefits provided for under this Plan. In the event a Participant commences participation during a Plan Year, then the initial coverage period shall be that portion of the Plan Year commencing on such Participant's date of entry and ending on the last day of such Plan Year.
21. **"Premium Expenses"** or **"Premiums"** means the Participant's cost for the Benefits described in the Section titled: "Benefit Options".
22. **"Premium Expense Reimbursement Account"** means the account established for a Participant pursuant to this Plan to which part of his or her Cafeteria Plan Benefit Dollars may be allocated and from which Premiums of the Participant shall be paid or reimbursed. If more than one type of insured Benefit is elected, sub-accounts shall be established for each type of insured Benefit.
23. **"Run-out Period"** means the set number of days after the plan year ends that allows you to submit claims for eligible expenses incurred during the Plan Year.
24. **"Salary Redirection"** means the contributions made by the Employer on behalf of Participants pursuant to the Section titled: "Salary Redirection". These contributions shall be converted to Cafeteria Plan Benefit Dollars and allocated to the funds or accounts established under the Plan pursuant to the Participants' elections made under the Article titled: "Participant Elections".
25. **"Salary Redirection Agreement"** means an agreement between the Participant and the Employer under which the Participant agrees to reduce his or her Compensation or to forego all or part of the increases in such Compensation and to have such amounts contributed by the Employer to the Plan on the Participant's behalf. The Salary Redirection Agreement shall apply only to Compensation that has not been actually or constructively received by the Participant as of the date of the agreement (after taking this Plan and Code Section 125 into account) and,

subsequently does not become currently available to the Participant.

26. **"Spouse"** means "spouse" as defined in an Insurance Contract, then, for purposes of coverage under that Insurance Contract only, "spouse" shall have the meaning stated in the Insurance Contract. In all other cases, "spouse" shall have the meaning stated under applicable federal or state law.

II. ARTICLE - PARTICIPATION

1. ELIGIBILITY

An individual is eligible to participate in this Plan if the individual:

- a. is an Eligible Employee as defined in the Article titled: "Definitions"
- b. is working 40 hours or more per week; and
- c. is eligible for the group medical plan

2. EFFECTIVE DATE OF PARTICIPATION

An Eligible Employee shall become a Participant effective as of the first of the month following the date eligibility requirements were met.

3. APPLICATION TO PARTICIPATE

An Employee who is eligible to participate in this Plan shall, during the applicable Election Period, complete an application to participate in a manner set forth by the Administrator. The election shall be irrevocable until the end of the applicable Plan Year unless the Participant is entitled to change his or her Benefit elections pursuant to the Section titled: "Change in Status".

An Eligible Employee shall also be required to complete a Salary Redirection Agreement during the Election Period for the Plan Year during which he wishes to participate in this Plan. Any such Salary Redirection Agreement shall be effective for the first pay period beginning on or after the Employee's effective date of participation pursuant to the Section titled: "Effective Date of Participation".

Notwithstanding the foregoing, an Employee who is eligible to participate in this Plan and who is covered by the Employer's insured Benefits under this Plan shall automatically become a Participant to the extent of the Premiums for such insurance, unless the Employee elects, during the Election Period, not to participate in the Plan.

4. TERMINATION OF PARTICIPATION

A Participant shall no longer participate in this Plan upon the occurrence of any of the following events:

- a. **Termination of employment.** The termination of Participant's employment, subject to the provisions of the Section titled: "Termination of Employment";
- b. **Death.** The Participant's death, subject to the provisions of the Section titled: "Death"; or
- c. **Termination of the plan.** The termination of this Plan, subject to the provisions of the Section titled: "Termination".

5. TERMINATION OF EMPLOYMENT

If a Participant's employment with the Employer is terminated for any reason other than death, his or her participation in the Benefit Options provided under the

Section titled: "Benefit Options" shall be governed in accordance with the following:

- a. **Insurance Benefit.** With regard to Benefits which are insured, the Participant's participation in the Plan shall cease, subject to the Participant's right to continue coverage under any Insurance Contract for which premiums have already been paid.
- b. **Dependent Care FSA.** With regard to the Dependent Care Flexible Spending Account, the Participant's participation in the Plan shall cease and no further Salary Redirection contributions shall be made. However, such Participant may submit claims for employment-related Dependent Care Expense reimbursements for expenses within 90 days after the date of termination, limited by the balance in the Participant's Dependent Care Flexible Spending Account as of the date of termination.
- c. **Health FSA, COBRA applicability.** With regard to the Health Flexible Spending Account, the Participant may submit claims for expenses that were incurred during the portion of the Plan Year for which contributions to the Health Flexible Spending Account have already been made. Thereafter, the health benefits under this Plan including the Health Flexible Spending Account, shall be applied and administered consistent with such further rights that a Participant and his or her Dependents may be entitled to pursuant to Code Section 4980B and the Section titled: "Continuation of Coverage" of the Plan.

6. **REINSTATEMENT OF A FORMER PARTICIPANT**

An Employee whose participation terminates and returns to an eligible status less than thirty days later may re-enroll within thirty days of returning to an eligible status with a commencement date of the first of the month following the adjusted eligibility date. An Employee who re-enrolls in a Health Flexible Spending Account or Dependent Care Account after such time must re-enter the Plan and reinstate their original elections for that Plan Year with adjustments to the annual election amount as the Administrator deems necessary to prorate the annual election amount over the remainder of the Plan Year. Expenses incurred by the employee during the time that the employee was not a Participant will not be covered expenses unless COBRA was elected pursuant to the Article titled: "Continuation of Coverage (COBRA)".

Any Employee who terminates employment and is rehired into an eligible status after thirty days from the date of termination will be treated as a new enrollee under the Plan. If such Employee returns within the same Plan Year, prior contributions made to the Health Flexible Spending Account and/or the Dependent Care Account will be taken into consideration so as not to exceed Plan or IRS maximums.

7. **DEATH**

If a Participant dies, his or her participation in the Plan shall immediately cease. However, such Participant's spouse or Dependents may submit claims for expenses or benefits for the remainder of the Plan Year or until the Cafeteria Plan Benefit Dollars allocated to a particular specific benefit are exhausted. In no event may reimbursements be paid to someone who is not a spouse or Dependent. If the Plan is subject to the provisions of Code Section 4980B, then those provisions and

related regulations shall apply for purposes of the Health Flexible Spending Account.

III. ARTICLE - CONTRIBUTIONS TO THE PLAN

1. SALARY REDIRECTION

Subject to the provisions of the section titled "Employer Contributions," benefits under the Plan shall be financed by Salary Redirections sufficient to support the benefits that a Participant has elected hereunder and to pay the Participant's Premium Expenses. The salary administration program of the Employer shall be revised to allow each Participant to agree to reduce his or her pay during a Plan Year by an amount determined necessary to purchase the elected Benefit Options. The amount of such Salary Redirection shall be specified in the Salary Redirection Agreement and shall be applicable for a Plan Year. Notwithstanding the above, for new Participants, the Salary Redirection Agreement shall only be applicable from the first day of the pay period following the Employee's entry date up to and including the last day of the Plan Year. These contributions shall be converted to Cafeteria Plan Benefit Dollars and allocated to the funds or accounts established under the Plan pursuant to the Participant's elections made under the Section titled: "Initial Elections".

Any Salary Redirection shall be determined prior to the beginning of a Plan Year (subject to initial elections pursuant to the Section titled: "Initial Elections") and prior to the end of the Election Period and shall be irrevocable for such Plan Year. However, a Participant may revoke a Benefit election or a Salary Redirection Agreement after the Plan Year has commenced and make a new election with respect to the remainder of the Plan Year, if both the revocation and the new election are on account of and consistent with a change in status and such other permitted events as determined under the Article titled: "Participant Elections" and are consistent with the rules and regulations of the Department of the Treasury. Salary Redirection amounts shall be contributed on a pro rata basis for each pay period during the Plan Year. All individual Salary Redirection Agreements are deemed to be part of this Plan and incorporated by reference hereunder.

2. APPLICATION OF CONTRIBUTIONS

As soon as reasonably practical after each payroll period, the Employer shall apply the Salary Redirection to provide the Benefits elected by the affected Participants. Any contribution made or withheld for the Health Flexible Spending Account or Dependent Care Flexible Spending Account shall be credited to such fund or account. Amounts designated for the Participant's Premium Expense Reimbursement Account shall likewise be credited to such account for the purpose of paying Premium Expenses.

3. PERIODIC CONTRIBUTIONS

Notwithstanding the requirement provided above and in other Articles of this Plan that Salary Redirections be contributed to the Plan by the Employer on behalf of an Employee on a level and pro rata basis for each payroll period, the Employer and Administrator may implement a procedure in which Salary Redirections are contributed throughout the Plan Year on a periodic basis that is not pro rata for each payroll period. However, with regard to the Health Flexible Spending Account, the payment schedule for the required contributions may not be based on the rate

or amount of reimbursements during the Plan Year.

4. **EMPLOYER CONTRIBUTIONS**

The Employer may provide non-elective contributions in the form of Employer Funding into the Health Flexible Spending Account to the extent as described in the Section Titled: "Limitation on Allocations". Such contributions shall be prorated for Participants who begin participating in the middle of the Plan Year. Contributions or matching contributions made to the Health Flexible Spending Account generally do not count toward the annual contribution limit as described in the Section Titled: "Limitation on Allocations".

IV. ARTICLE - BENEFITS

1. **BENEFIT OPTIONS**

Each Participant may elect any one or more of the following optional Benefits:

- Health Flexible Spending Account
- Dependent Care Flexible Spending Account

In addition, each Participant shall have a sufficient portion of his or her Salary Redirections applied to the following Benefits unless the Participant elects not to receive such Benefits:

2. **HEALTH FLEXIBLE SPENDING ACCOUNT BENEFIT**

Each Participant may elect to participate in the Health Flexible Spending Account option, in which case the Article titled: "Health Flexible Spending Account" shall apply.

3. **DEPENDENT CARE FLEXIBLE SPENDING ACCOUNT BENEFIT**

Each Participant may elect to participate in the Dependent Care Flexible Spending Account option, in which case the Article titled: "Dependent Care Flexible Spending Account" shall apply.

4. **NONDISCRIMINATION REQUIREMENTS**

- a. **Intent to be nondiscriminatory.** It is the intent of this Plan to provide benefits to a classification of employees which the Secretary of the Treasury finds not to be discriminatory in favor of the group in whose favor discrimination may not occur under Code Section 125.
- b. **25% concentration test.** It is the intent of this Plan not to provide qualified benefits as defined under Code Section 125 to Key Employees in amounts that exceed 25% of the aggregate of such Benefits provided for all Eligible Employees under the Plan. For purposes of the preceding sentence, qualified benefits shall not include benefits which (without regard to this paragraph) are includible in gross income.
- c. **Adjustment to avoid test failure.** If the Administrator deems it necessary to avoid discrimination or possible taxation to Key Employees or a group of employees in whose favor discrimination is prohibited by Code Section 125, it may, but shall not be required to, reduce contributions or non-taxable Benefits in order to assure compliance with this Section. Any act taken by the Administrator under this Section shall be carried out in a uniform and nondiscriminatory manner. If the Administrator decides to reduce contributions or non-taxable Benefits, it shall be done in the following manner. First, the non-taxable Benefits of the affected Participant (either an employee who is highly compensated or a Key Employee, whichever is applicable) who has the highest amount of non-taxable Benefits for the Plan Year shall have his or her non-taxable Benefits reduced until the

discrimination tests set forth in this Section are satisfied or until the amount of his or her non-taxable Benefits equals the non-taxable Benefits of the affected Participant who has the second highest amount of non-taxable Benefits. This process shall continue until the nondiscrimination tests set forth in this Section are satisfied. With respect to any affected Participant who has had Benefits reduced pursuant to this Section, the reduction shall be made proportionately among Health Flexible Spending Account Benefits and Dependent Care Flexible Spending Account Benefits , and once all these Benefits are expended, proportionately among insured Benefits. Contributions which are not utilized to provide Benefits to any Participant by virtue of any administrative act under this paragraph shall be forfeited and deposited into the benefit plan surplus.

V. ARTICLE - PARTICIPANT ELECTIONS

1. INITIAL ELECTIONS

An Employee who meets the eligibility requirements of the Section titled: "Eligibility" on the first day of, or during, a Plan Year may elect to participate in this Plan for all or the remainder of such Plan Year, provided he elects to do so on or before his or her effective date of participation pursuant to the Section titled: "Effective Date of Participation".

Notwithstanding the foregoing, an Employee who is eligible to participate in this Plan and who is covered by the Employer's insured benefits under this Plan shall automatically become a Participant to the extent of the Premiums for such insurance unless the Employee elects, during the Election Period, not to participate in the Plan.

2. SUBSEQUENT ANNUAL ELECTIONS

During the Election Period prior to each subsequent Plan Year, each Participant shall be given the opportunity to elect, on an election of benefits form to be provided by the Administrator, which spending account Benefit options he wishes to participate in. Any such election shall be effective for any Benefit expenses incurred during the Plan Year which immediately follows the end of the Election Period. With regard to subsequent annual elections, the following options shall apply:

- a. A Participant or Employee who failed to initially elect to participate may elect different or new Benefits under the Plan during the Election Period;
- b. A Participant may terminate his or her participation in the Plan by notifying the Administrator in writing during the Election Period that he does not want to participate in the Plan for the next Plan Year;
- c. An Employee who elects not to participate for the Plan Year following the Election Period will have to wait until the next Election Period before again electing to participate in the Plan, except as provided for in the Section titled: "Change of Status".

3. FAILURE TO ELECT

With regard to Benefits available under the Plan for which no Premium Expenses apply, any Participant who fails to complete a new benefit election form pursuant to the Section titled: "Subsequent Annual Elections" by the end of the applicable Election Period shall be deemed to have elected not to participate in the Plan for the upcoming Plan Year. No further Salary Redirections shall therefore be authorized or made for the subsequent Plan Year for such Benefits, subject to the provisions of the Section titled: "Change in Status" below.

With regard to Benefits available under the Plan for which Premium Expenses apply, any Participant who fails to complete a new benefit election form pursuant to the Section titled: "Subsequent Annual Elections" by the end of the applicable Election Period shall be deemed to have made the same Benefit elections as are

then in effect for the current Plan Year. The Participant shall also be deemed to have elected Salary Redirection in an amount necessary to purchase such Benefit options.

4. **CHANGE IN STATUS**

- a. **Change in status defined.** Any Participant may change a Benefit election after the Plan Year (to which such election relates) has commenced and make new elections with respect to the remainder of such Plan Year if, under the facts and circumstances, the changes are necessitated by and are consistent with a change in status which is acceptable under rules and regulations adopted by the Department of the Treasury, the provisions of which are incorporated by reference. Notwithstanding anything herein to the contrary, if the rules and regulations conflict with any of the provisions of this Plan, then such rules and regulations shall control. See below in this Section for other situations in which changes in Benefit elections are permitted.

In general, a change in election is not consistent if the change in status is the Participant's divorce, annulment or legal separation from a Spouse, the death of a Spouse or Dependent, or a Dependent's ceasing to satisfy the eligibility requirements for coverage, and the Participant's election under the Plan is to cancel accident or health insurance coverage for any individual other than the one involved in such event. In addition, if the Participant, Spouse or Dependent gains eligibility for coverage under any other plan, then a Participant's election under the Plan to cease or decrease coverage for that individual under the Plan is consistent with that change in status only if coverage for that individual becomes applicable or is increased under said other plan. Also, if the Participant, Spouse or Dependent loses eligibility for coverage under any other plan, then a Participant's election under the Plan to start or increase coverage for that individual under the Plan is consistent with that change in status only if coverage for that individual ceases or is decreased under said other plan.

Regardless of the consistency requirement, if the individual, or the individual's Spouse or Dependent, becomes eligible for continuation coverage under the Employer's group health plan as provided in Code Section 4980B or any similar state law, then the individual may elect to increase payments under this Plan in order to pay for the continuation coverage. However, this does not apply for COBRA eligibility due to divorce, annulment or legal separation.

Any new election shall be effective at such time as the Administrator shall prescribe, but not earlier than the first pay period beginning after the election form is completed and returned to the Administrator. For the purposes of this subsection, a change in status shall only include the following events or other events permitted by Treasury regulations:

1. Legal Marital Status: events that change a Participant's legal marital status, including marriage, divorce, death of a Spouse, legal separation or annulment;
2. Number of Dependents: Events that change a Participant's number of

Dependents, including birth, adoption, placement for adoption, or death of a Dependent;

3. **Employment Status:** Any of the following events that change the employment status of the Participant, Spouse, or Dependent: termination or commencement of employment, a strike or lockout, commencement or return from an unpaid leave of absence, or a change in worksite. In addition, if the eligibility conditions of this Plan or other employee benefit plan of the Employer of the Participant, Spouse, or Dependent depend on the employment status of that individual and there is a change in that individual's employment status with the consequence that the individual becomes (or ceases to be) eligible under the plan, then that change constitutes a change in employment under this subsection;
4. **Dependent satisfies or ceases to satisfy the eligibility requirements:** An event that causes the Participant's Dependent to satisfy or cease to satisfy the requirements for coverage due to attainment of age, student status, or any similar circumstance; and
5. **Residency:** A change in the place of residence of the Participant, Spouse or Dependent, that would lead to a change in status (such as a loss of HMO coverage).

For the Dependent Care Flexible Spending Account, a Dependent becoming or ceasing to be a "Qualifying Dependent" as defined under Code Section 21(b) shall also qualify as a change in status.

Notwithstanding anything in this Section to the contrary, the gain of eligibility or change in eligibility of a child, as allowed under Code Sections 105(b) and 106, and IRS Notice 2010-38, shall qualify as a change in status.

- b. **Special enrollment rights.** Notwithstanding subsection (a), the Participants may change an election for accident or health coverage during a Plan Year and make a new election that corresponds with the special enrollment rights provided in Code Section 9801(f), including those authorized under the provisions of the Children's Health Insurance Program Reauthorization Act of 2009 (SCHIP), provided that such Participant meets the sixty (60) day notice requirement imposed by Code Section 9801(f) (or such longer period as may be permitted by the Plan and communicated to Participants). Such change shall take place on a prospective basis, unless otherwise required by Code Section 9801(f) to be retroactive.
- c. **Qualified Medical Support Order.** Notwithstanding subsection (a), in the event of a judgment, decree, or order (including approval of a property settlement) (collectively, an "order") resulting from a divorce, legal separation, annulment, or change in legal custody (including a qualified medical child support order defined in ERISA Section 609) that requires accident or health coverage for a Participant's child (including a foster child who is a Dependent of the Participant):
 1. The Plan may change an election to provide coverage for the child if the order requires coverage under the Participant's plan; or

2. The Participant shall be permitted to change an election to cancel coverage for the child if the order requires the former Spouse to provide coverage for such child, under that individual's plan, and such coverage is actually provided.
- d. **Medicare or Medicaid.** Notwithstanding subsection (a), a Participant may change elections to cancel accident or health coverage for the Participant or the Participant's Spouse or Dependent if the Participant or the Participant's Spouse or Dependent is enrolled in the accident or health coverage of the Employer and becomes entitled to coverage (i.e., enrolled) under Part A or Part B of Title XVIII of the Social Security Act (Medicare) or Title XIX of the Social Security Act (Medicaid), other than coverage consisting solely of benefits under Section 1928 of the Social Security Act (the program for distribution of pediatric vaccines). If the Participant or the Participant's Spouse or Dependent who has been entitled to Medicaid or Medicare coverage loses eligibility, that individual may prospectively elect coverage under the Plan if a benefit package option under the Plan provides similar coverage.
 - e. **Cost increase or decrease.** Notwithstanding subsection (a), if the cost of a Benefit provided under the Plan increases or decreases during a Plan Year, then the Plan shall automatically increase or decrease, as the case may be, the Salary Redirections of all affected Participants for such Benefit. Alternatively, if the cost of a benefit package option increases significantly, the Administrator shall permit the affected Participants to either make corresponding changes in their payments or revoke their elections and, in lieu thereof, receive on a prospective basis coverage under another benefit package option with similar coverage, or drop coverage prospectively if there is no benefit package option with similar coverage.

A cost increase or decrease refers to an increase or decrease in the amount of elective contributions under the Plan, whether resulting from an action taken by the Participants or an action taken by the Employer.

- f. **Loss of coverage.** Notwithstanding subsection (a), if the coverage under a Benefit is significantly curtailed or ceases during a Plan Year, affected Participants may revoke their elections of such Benefit and, in lieu thereof, elect to receive on a prospective basis coverage under another plan with similar coverage, or drop coverage prospectively if no similar coverage is offered.
- g. **Addition of a new benefit.** Notwithstanding subsection (a), if, during the period of coverage, a new benefit package option or other coverage option is added, an existing benefit package option is significantly improved, or an existing benefit package option or other coverage option is eliminated, then the affected Participants may elect the newly-added option, or elect another option if an option has been eliminated prospectively and make corresponding election changes with respect to other benefit package options providing similar coverage. In addition, those Eligible Employees who are not participating in the Plan may opt to become Participants and elect the new or newly improved benefit package option.

- h. **Loss of coverage under certain other plans.** Notwithstanding subsection (a), a Participant may make a prospective election change to add group health coverage for the Participant, the Participant's Spouse or Dependent if such individual loses group health coverage sponsored by a governmental or educational institution, including a state children's health insurance program under the Social Security Act, the Indian Health Service or a health program offered by an Indian tribal government, a state health benefits risk pool, or a foreign government group health plan.
- i. **Change of coverage due to change under certain other plans.** Notwithstanding subsection (a), a Participant may make a prospective election change that is on account of and corresponds with a change made under the plan of a Spouse, former Spouse's employer or Dependent's employer if (1) the cafeteria plan or other benefits plan of the Spouse, former Spouse's employer or Dependent's employer permits its participants to make a change; or (2) the cafeteria plan permits participants to make an election for a period of coverage that is different from the period of coverage under the cafeteria plan of a Spouse, former Spouse's employer or Dependent's employer.
- j. **Change in dependent care provider.** Notwithstanding subsection (a), a Participant may make a prospective election change that is on account of and corresponds with a change by the Participant in a dependent care provider. The availability of dependent care services from a new dependent care provider is similar to a new benefit package option becoming available. A cost change is allowable in the Dependent Care Flexible Spending Account only if the cost change is imposed by a dependent care provider who is not related to the Participant, as defined in Code Section 152(a)(1) through (8).
- k. **Health Flexible Spending Account cannot change due to insurance change.** A Participant shall not be permitted to change an election to the Health Flexible Spending Account as a result of a cost or coverage change under any health insurance benefits.

VI. ARTICLE - HEALTH FLEXIBLE SPENDING ACCOUNT

1. ESTABLISHMENT OF BENEFIT

This Health Flexible Spending Account is intended to qualify as a medical reimbursement plan under Code Section 105 and shall be interpreted in a manner consistent with such Code Section and the Treasury regulations thereunder. Participants who elect to participate in this Health Flexible Spending Account may submit claims for the reimbursement of allowable Medical Expenses. All amounts reimbursed shall be periodically paid from amounts allocated to the Participant's Health Flexible Spending Account. Periodic payments reimbursing Participants from the Health Flexible Spending Account shall in no event occur less frequently than monthly.

2. DEFINITIONS

For the purposes of this Article and the Plan, the terms below have the following meanings:

- a. **"Health Flexible Spending Account"** means the account established for a Participant pursuant to this Plan to which part of his or her Cafeteria Plan Benefit Dollars may be allocated and from which all allowable Medical Expenses incurred by the Participant, his or her Spouse and his or her Dependents may be reimbursed.
- b. **"Highly Compensated Participant"** means, for the purposes of this Article and determining discrimination under Code Section 105(h), a participant who is:
 1. one of the 5 highest paid officers;
 2. a shareholder who owns (or is considered to own, applying the rules of Code Section 318) more than 10 percent in value of the stock of the Employer; or
 3. among the highest paid 25 percent of all Employees (other than exclusions permitted by Code Section 105(h)(3)(B) for those individuals who are not Participants).
- c. **"Medical Expenses"** means any expense for medical care within the meaning of the term "medical care" as defined in Code Section 213(d) and the rulings and Treasury regulations thereunder, and not otherwise used by the Participant as a deduction in determining his or her tax liability under the Code. "Medical Expenses" can be incurred by the Participant, his or her Spouse and his or her Dependents. "Incurred" means, with regard to Medical Expenses, when the Participant is provided with the medical care that gives rise to the Medical Expense and not when the Participant is formally billed or charged for, or pays for, the medical care.

Effective January 1, 2011, a Participant may not be reimbursed for the cost of any medicine or drug that is not "prescribed" within the meaning of Code Section 106(f) and is not insulin.

A Participant may not be reimbursed for the cost of other health coverage such as premiums paid under plans maintained by the employer of the Participant's Spouse or individual policies maintained by the Participant or his or her Spouse or Dependent.

- d. A Participant may not be reimbursed for "qualified long-term care services" as defined in Code Section 7702B(c).
- e. The definitions of the Article titled: "Plan Definitions" are hereby incorporated by reference to the extent necessary to interpret and apply the provisions of this Health Flexible Spending Account.

3. **FORFEITURES**

A Participant in the Health Care Flexible Spending Account may roll over up to \$500.00 of unused funds at the end of one Plan Year to the next Plan Year. These funds can be used during the following Plan Year for expenses incurred in that Plan Year. Amounts carried over do not affect the maximum amount of salary redirections otherwise permitted for said next Plan Year. Unused amounts are those remaining after all eligible expenses for the Plan Year have been reimbursed. These amounts may not be cashed out or converted to any other taxable or nontaxable benefit. Unused amounts in excess of \$500.00 will be forfeited.

4. **LIMITATION ON ALLOCATIONS**

Notwithstanding any provision contained in this Health Flexible Spending Account to the contrary, the maximum amount of salary redirections that may be allocated to the Health Flexible Spending Account by a Participant in any Plan Year is \$2,550.00.

Carryover: A Participant in the Health Care Flexible Spending Account may roll over up to \$500.00 of unused funds at the end of one Plan Year to the next Plan Year. These funds can be used during the following Plan Year for expenses incurred in that Plan Year. Amounts carried over do not affect the maximum amount of salary redirections otherwise permitted for said next Plan Year. Unused amounts are those remaining after all eligible expenses for the Plan Year have been reimbursed. These amounts may not be cashed out or converted to any other taxable or nontaxable benefit. Unused amounts in excess of \$500.00 will be forfeited.

5. **NONDISCRIMINATION REQUIREMENTS**

- a. **Intent to be nondiscriminatory.** It is the intent of this Health Flexible Spending Account not to discriminate in violation of the Code and the Treasury regulations thereunder.
- b. **Adjustment to avoid test failure.** If the Administrator deems it necessary to avoid discrimination under this Health Flexible Spending Account, it may, but shall not be required to, reject any elections or reduce contributions or Benefits in order to assure compliance with this Section. Any act taken by the Administrator under this Section shall be carried out in a uniform and nondiscriminatory manner. If the Administrator decides to reject any elections

or reduce contributions or Benefits, it shall be done in the following manner. First, the Benefits designated for the Health Flexible Spending Account by the member of the group in whose favor discrimination may not occur pursuant to Code Section 105 that elected to contribute the highest amount to the fund for the Plan Year shall be reduced until the nondiscrimination tests set forth in this Section and/or the Code are satisfied, or until the amount designated for the fund equals the amount designated for the fund by the member of the group in whose favor discrimination may not occur pursuant to Code Section 105 who has elected the second highest contribution to the Health Flexible Spending Account for the Plan Year. This process shall continue until the nondiscrimination tests set forth in this Section or the Code are satisfied. Contributions which are not utilized to provide Benefits to any Participant by virtue of any administrative act under this paragraph shall be forfeited and credited to the benefit plan surplus.

6. COORDINATION WITH CAFETERIA PLAN

All Participants under the Plan are eligible to receive Benefits under this Health Flexible Spending Account. Enrollment under the Cafeteria Plan shall constitute enrollment under this Health Flexible Spending Account. In addition, other matters concerning contributions, elections and the like shall be governed by the general provisions of the Cafeteria Plan.

7. HEALTH FLEXIBLE SPENDING ACCOUNT CLAIMS

- a. **Expenses must be incurred during Plan Year.** All eligible Medical Expenses incurred by a Participant, his or her Spouse and his or her Dependents during the Plan Year shall be reimbursed, subject to the Section titled: "Termination of Employment", even though the submission of such a claim occurs after his or her participation hereunder ceases; but provided that the Medical Expenses were incurred during the applicable Plan Year. Medical Expenses are treated as having been incurred when the Participant is provided with the medical care that gives rise to the medical expenses, not when the Participant is formally billed or charged for, or pays for the medical care.
- b. **Reimbursement available throughout Plan Year.** The Administrator shall direct the reimbursement to each eligible Participant for all allowable Medical Expenses, up to a maximum of the amount designated by the Participant for the Health Flexible Spending Account for the Plan Year. Reimbursements shall be made available to the Participant throughout the year without regard to the level of Cafeteria Plan Benefit Dollars which have been allocated to the fund at any given point in time. Furthermore, a Participant shall be entitled to reimbursements only for amounts in excess of any payments or other reimbursements under any health care plan covering the Participant and/or his or her Spouse or Dependents.
- c. **Payments.** Reimbursement payments under this Plan shall be made directly to the Participant. However, in the Administrator's discretion, payments may be made directly to the service provider. The application for payment or reimbursement shall be made to the Administrator on an acceptable form within a reasonable time after incurring the debt or paying for the service.

The application shall include a written statement from an independent third party stating that the Medical Expense has been incurred and the amount of such expense. Furthermore, the Participant shall provide a written statement that the Medical Expense has not been reimbursed or is not reimbursable under any other health plan coverage and, if reimbursed from the Health Flexible Spending Account, such amount will not be claimed as a tax deduction. The Administrator shall retain a file of all such applications.

- d. **Claims for reimbursement.** Claims for the reimbursement of Medical Expenses incurred in any Plan Year shall be paid as soon after a claim has been filed as is administratively practicable; provided however, that if a Participant fails to submit a claim within 90 days after the end of the Plan Year, those Medical Expense claims shall not be considered for reimbursement by the Administrator. However, if a Participant terminates employment during the Plan Year, claims for the reimbursement of Medical Expenses must be submitted within 90 days after the date of termination.

8. **DEBIT AND CREDIT CARDS**

Participants may, subject to a procedure established by the Administrator and applied in a uniform nondiscriminatory manner, use debit and/or credit (stored value) cards ("cards") provided by the Administrator and the Plan for payment of Medical Expenses, subject to the following terms:

- a. **Card only for medical expenses.** Each Participant issued a card shall certify that such card shall only be used for Medical Expenses. The Participant shall also certify that any Medical Expense paid with the card has not already been reimbursed by any other plan covering health benefits and that the Participant will not seek reimbursement from any other plan covering health benefits.
- b. **Card issuance.** Such card shall be issued upon the Participant's Effective Date of Participation and reissued for each Plan Year the Participant remains a Participant in the Health Flexible Spending Account. Such card shall be automatically cancelled upon the Participant's death or termination of employment, or if such Participant has a change in status that results in the Participant's withdrawal from the Health Flexible Spending Account.
- c. **Maximum dollar amount available.** The dollar amount of coverage available on the card shall be the amount elected by the Participant for the Plan Year. The maximum dollar amount of coverage available shall be the maximum amount for the Plan Year as set forth in the Section titled: "Limitation on Allocations".
- d. **Only available for use with certain service providers.** The cards shall only be accepted by such merchants and service providers as have been approved by the Administrator.
- e. **Card use.** The cards shall only be used for Medical Expense purchases as defined in Code Section 213(d) and the rulings and Treasury regulations thereunder, including, but not limited to, the following:
1. Co-payments for doctor and other medical care;

2. Purchase of drugs prescribed by a health care provider, including, if permitted by the Administrator, over-the-counter medications as allowed under IRS regulations;
 3. Purchase of medical items such as eyeglasses, syringes, crutches, etc.
- f. **Substantiation.** Such purchases by the cards shall be subject to confirmation by the Administrator, usually by requiring the Participant to submit a receipt from a service provider describing the service, the date and the amount. The Administrator shall also follow the requirements set forth in Revenue Ruling 2003-43 and Notice 2006-69. All charges shall be conditional pending confirmation by the Administrator.
- g. **Correction methods.** If such purchase is later determined by the Administrator to not qualify as a Medical Expense, the Administrator, in its discretion, shall use one of the following correction methods to make the Plan whole. Until the amount is repaid, the Administrator shall take further action to ensure that further violations of the terms of the card do not occur, up to and including denial of access to the card.
1. Repayment of the improper amount by the Participant;
 2. Withholding the improper payment from the Participant's wages or other compensation to the extent consistent with applicable federal and state law;
 3. Claims substitution or offset of future claims until the amount is repaid; and
 4. If subsections (1) through (3) fail to recover the amount, consistent with the Employer's business practices, the Employer may treat the amount as any other business indebtedness.

VII. ARTICLE - DEPENDENT CARE FLEXIBLE SPENDING ACCOUNT

1. ESTABLISHMENT OF ACCOUNT

This Dependent Care Flexible Spending Account is intended to qualify as a program under Code Section 129 and shall be interpreted in a manner consistent with such Code Section. Participants who elect to participate in this program may submit claims for the reimbursement of Employment-Related Dependent Care Expenses. All amounts reimbursed shall be paid from amounts allocated to the Participant's Dependent Care Flexible Spending Account.

2. DEFINITIONS

For the purposes of this Article and the Plan, the terms below shall have the following meaning:

- a. **"Dependent Care Flexible Spending Account"** means the account established for a Participant pursuant to this Article to which part of his or her Cafeteria Plan Benefit Dollars may be allocated and from which Employment-Related Dependent Care Expenses of the Participant may be reimbursed for the care of the Qualifying Dependents of Participants.
- b. **"Earned Income"** means earned income as defined under Code Section 32(c)(2), but excluding such amounts paid or incurred by the Employer for dependent care assistance to the Participant.
- c. **"Employment-Related Dependent Care Expenses"** means the amounts paid for those expenses of a Participant that, if paid by the Participant, would be considered employment related expenses under Code Section 21(b)(2). Generally, they include expenses for household services and for the care of a Qualifying Dependent, to the extent that such expenses are incurred to enable the Participant to be gainfully employed for any period during which there are one or more Qualifying Dependents with respect to such Participant. Employment-Related Dependent Care Expenses are treated as having been incurred when the Participant's Qualifying Dependents are provided with the dependent care that gives rise to the Employment-Related Dependent Care Expenses, not when the Participant is formally billed or charged for, or pays for, the dependent care. The determination of whether an amount qualifies as an Employment-Related Dependent Care Expense shall be made subject to the following rules:
 1. If such amounts are paid for expenses incurred outside the Participant's household, they shall constitute Employment Related Dependent Care Expenses only if incurred for a Qualifying Dependent (as defined in the "Definitions" Section of the Article titled: "Dependent Care Flexible Spending Account") who regularly spends at least 8 hours per day in the Participant's household;
 2. If the expense is incurred outside the Participant's home at a facility that provides care for a fee, payment, or grant for more than 6 individuals who do not regularly reside at the facility, the facility must

comply with all applicable state and local laws and regulations, including licensing requirements, if any; and

3. Employment-Related Dependent Care Expenses of a Participant shall not include amounts paid to or incurred by a child of such Participant who is under the age of 19 or to an individual who is a Dependent of such Participant or such Participant's Spouse.

d. **"Qualifying Dependent"** means, for Dependent Care Flexible Spending Account purposes,

1. a Participant's Dependent (as defined in Code Section 152(a)(1)) who has not attained age 13;
2. a Dependent or Spouse of a Participant who is physically or mentally incapable of caring for himself or herself and has the same principal place of abode as the Participant for more than one-half of such taxable year; or
3. a child that is deemed to be a Qualifying Dependent described in paragraph (1) or (2) above, whichever is appropriate, pursuant to Code Section 21(e)(5).

e. The definitions of the Article titled: "Definitions" are hereby incorporated by reference to the extent necessary to interpret and apply the provisions of this Dependent Care Flexible Spending Account.

3. **DEPENDENT CARE FLEXIBLE SPENDING ACCOUNTS**

The Administrator shall establish a Dependent Care Flexible Spending Account for each Participant who elects to apply Cafeteria Plan Benefit Dollars to Dependent Care Flexible Spending Account benefits.

4. **INCREASES IN DEPENDENT CARE FLEXIBLE SPENDING ACCOUNTS**

A Participant's Dependent Care Flexible Spending Account shall be increased each pay period by the amount of Cafeteria Plan Benefit Dollars that he has elected to apply toward his or her Dependent Care Flexible Spending Account pursuant to elections made under Article V hereof.

5. **DECREASES IN DEPENDENT CARE FLEXIBLE SPENDING ACCOUNTS**

A Participant's Dependent Care Flexible Spending Account shall be reduced by the amount of any Employment-Related Dependent Care Expense reimbursements paid or incurred on behalf of the Participant pursuant to the Section titled: "Dependent Care Flexible Spending Account Claims" hereof.

6. **ALLOWABLE DEPENDENT CARE REIMBURSEMENT**

Subject to limitations contained in the Section titled: "Limitation on Payments" below, and to the extent of the amount contained in the Participant's Dependent Care Flexible Spending Account, a Participant who incurs Employment-Related Dependent Care Expenses shall be entitled to receive from the Employer full reimbursement for the entire amount of such expenses incurred during the Plan

Year or portion thereof during which he is a Participant.

7. **ANNUAL STATEMENT OF BENEFITS**

On or before January 31st of each calendar year, the Employer shall furnish to each Employee who was a Participant and received benefits under the Section titled: "Definitions" during the prior calendar year, a statement of all such benefits paid to or on behalf of such Participant during the prior calendar year. This statement is set forth on the Participant's Form W-2.

8. **FORFEITURES**

The amount in the Participant's Dependent Care Flexible Spending Account as of the end of the allowable 2.5 month Grace Period of the normal Plan Year (and after the applicable run-out period and processing of all claims for such Plan Year pursuant to the Section titled: "Dependent Care Flexible Spending Account Claims" hereof) shall be forfeited and credited to the benefit plan surplus. In such event, the Participant shall have no further claim to such amount for any reason.

9. **LIMITATION ON PAYMENTS**

a. **Code limits.** Notwithstanding any provision contained in this Article to the contrary, amounts paid from a Participant's Dependent Care Flexible Spending Account in or on account of any tax year of the Participant shall not exceed the lesser of the Earned Income limitation described in Code Section 129(b) and \$5,000.00 (\$2,500 if a separate tax return is filed by a Participant who is married as determined under the rules of paragraphs (3) and (4) of Code Section 21(e)).

10. **NONDISCRIMINATION REQUIREMENTS**

- a. **Intent to be nondiscriminatory.** It is the intent of this Dependent Care Flexible Spending Account that contributions or benefits not discriminate in favor of the group of employees in whose favor discrimination is prohibited under Code Section 129(d).
- b. **25% test for shareholders.** It is the intent of this Dependent Care Flexible Spending Account that not more than 25 percent of the amounts paid by the Employer for dependent care assistance during the Plan Year will be provided for the class of individuals who are shareholders or owners (or their Spouses or Dependents), each of whom (on any day of the Plan Year) owns more than 5 percent of (i) the stock of, or (ii) the capital or profits interest in, the Employer.
- c. **Adjustment to avoid test failure.** If the Administrator deems it necessary to avoid discrimination or possible taxation to a group of employees in whose favor discrimination is prohibited by Code Section 129, it may, but shall not be required to, reject any elections or reduce contributions or non-taxable benefits in order to assure compliance with this Section. Any act taken by the Administrator under this Section shall be carried out in a uniform and nondiscriminatory manner. If the Administrator decides to reject any elections or reduce contributions or Benefits, it shall be done in the following manner. First, the Benefits designated for the Dependent Care Flexible Spending

Account by the affected Participant that elected to contribute the highest amount to such account for the Plan Year shall be reduced until the nondiscrimination tests set forth in this Section are satisfied, or until the amount designated for the account equals the amount designated for the account of the affected Participant who has elected the second highest contribution to the Dependent Care Flexible Spending Account for the Plan Year. This process shall continue until the nondiscrimination tests set forth in this Section are satisfied. Contributions which are not utilized to provide Benefits to any Participant by virtue of any administrative act under this paragraph shall be forfeited.

11. **COORDINATION WITH CAFETERIA PLAN**

All Participants under the Cafeteria Plan are eligible to receive Benefits under this Dependent Care Flexible Spending Account. The enrollment and termination of participation under the Cafeteria Plan shall constitute enrollment and termination of participation under this Dependent Care Flexible Spending Account. In addition, other matters concerning contributions, elections and the like shall be governed by the general provisions of the Cafeteria Plan.

12. **DEPENDENT CARE FLEXIBLE SPENDING ACCOUNT CLAIMS**

The Administrator shall direct the payment of all qualified Dependent Care claims to the Participant upon the presentation to the Administrator of documentation of such expenses in a form satisfactory to the Administrator. However, in the Administrator's discretion, payments may be made directly to the service provider. In its discretion in administering the Plan, the Administrator may utilize forms and require documentation of costs as may be necessary to verify the claims submitted. At a minimum, the form shall include a statement from an independent third party as proof that the expense has been incurred during the Plan Year and the amount of such expense. In addition, the Administrator may require that each Participant who desires to receive reimbursement under this Program for Employment-Related Dependent Care Expenses submit a statement which may contain some or all of the following information:

- a. The Dependent or Dependents for whom the services were performed;
- b. The nature of the services performed for the Dependent, the cost of which the Participant wishes reimbursement;
- c. The relationship, if any, of the person performing the services to the Participant;
- d. If the services are being performed by a child of the Participant, the age of the child;

- f. If any of the services were performed outside the home, a statement as to whether the Dependent for whom such services were performed spends at least 8 hours a day in the Participant's household;
- g. If the services were being performed in a day care center, a statement:

1. that the day care center complies with all applicable laws and regulations of the state of residence,
 2. that the day care center provides care for more than 6 individuals (other than individuals residing at the center), and
 3. of the amount of fee paid to the provider.
- h. If the Participant is married, a statement containing the following:
1. the Spouse's salary or wages, if he or she is employed, or
 2. if the Participant's Spouse is not employed, that
 - i. he or she is incapacitated, or
 - ii. he or she is a full-time student attending an educational institution, and the months of the year during which he or she attends such institution.
 - i. **Claims for reimbursement.** If a Participant fails to submit a claim within 2.5 month Grace Period, as defined in the Article titled: "Definitions", or within 90 days after the end of the Plan Year, that Dependent Daycare claim shall not be considered for reimbursement by the Administrator.

13. **DEBIT AND CREDIT CARDS**

Participants may, subject to a procedure established by the Administrator and applied in a uniform nondiscriminatory manner, use debit and/or credit (stored value) cards ("cards") provided by the Administrator and the Plan for payment of Employment-Related Dependent Care Expenses, subject to the following terms:

- a. **Card only for dependent care expenses.** Each Participant issued a card shall certify that such card shall only be used for Employment-Related Dependent Care Expenses. The Participant shall also certify that any Employment-Related Dependent Care Expense paid with the card has not already been reimbursed by any other plan covering dependent care benefits and that the Participant will not seek reimbursement from any other plan covering dependent care benefits.
- b. **Card issuance.** Such card shall be issued upon the Participant's Effective Date of Participation and reissued for each Plan Year the Participant remains a Participant in the Dependent Care Flexible Spending Account. Such card shall be automatically cancelled upon the Participant's death or termination of employment, or if such Participant has a change in status that results in the Participant's withdrawal from the Dependent Care Flexible Spending Account.
- c. **Only available for use with certain service providers.** The cards shall only be accepted by such service providers as have been approved by the Administrator. The cards shall only be used for Employment-Related Dependent Care Expenses from these providers.
- d. **Substantiation.** Such purchases by the cards shall be subject to

confirmation by the Administrator, usually by requiring the Participant to submit a receipt from a service provider describing the service, the date and the amount. The Administrator shall also follow the requirements set forth in Revenue Ruling 2003-43 and Notice 2006-69. All charges shall be conditional pending confirmation by the Administrator.

- e. **Correction methods.** If such purchase is later determined by the Administrator to not qualify as an Employment-Related Dependent Care Expense, the Administrator, in its discretion, shall use one of the following correction methods to make the Plan whole. Until the amount is repaid, the Administrator shall take further action to ensure that further violations of the terms of the card do not occur, up to and including denial of access to the card.
1. Repayment of the improper amount by the Participant;
 2. Withholding the improper payment from the Participant's wages or other compensation to the extent consistent with applicable federal and state law;
 3. Claims substitution or offset of future claims until the amount is repaid; and
 4. If subsections (1) through (3) fail to recover the amount, consistent with the Employer's business practices, the Employer may treat the amount as any other business indebtedness.

VIII. ARTICLE - ERISA PROVISIONS

1. CLAIM FOR BENEFITS

- a. **Insurance claims.** Any claim for Benefits underwritten by Insurance Contract(s) shall be made to the Insurer. If the Insurer denies any claim, the Participant or beneficiary shall follow the Insurer's claims review procedure.
- b. **Health FSA claims.** If a Participant fails to submit a claim under the Health Flexible Spending Account within 90 days after the end of the Plan Year, those claims shall not be considered for reimbursement by the Administrator. However, if a Participant terminates employment during the Plan Year, claims for the reimbursement must be submitted within 90 days after the date of termination. Once a claim is submitted, the following timetable for claims and the rules below apply:

Notification of whether claim is accepted or denied	30 days
<hr/>	
Extension due to matters beyond the control of the Plan	15 days
<hr/>	
Insufficient information on the claim:	
<hr/>	
Notification of	15 days
<hr/>	
Response by Participant	45 days
<hr/>	
Review of claim denial	60 days
<hr/>	

The Plan Administrator will provide written or electronic notification of any claim denial. The notice will state:

1. The specific reason or reasons for the denial.
2. Reference to the specific Plan provisions on which the denial was based.
3. A description of any additional material or information necessary for the claimant to perfect the claim and an explanation of why such material or information is necessary.
4. A description of the Plan's review procedures and the time limits applicable to such procedures. This will include a statement of the right to bring a civil action under Section 502 of ERISA following a denial on review.
5. A statement that the claimant is entitled to receive, upon request and free of charge, reasonable access to, and copies of, all documents, records, and other information relevant to the Claim.
6. If the denial was based on an internal rule, guideline, protocol, or other

similar criterion, the specific rule, guideline, protocol, or criterion will be provided with the denial free of charge. If this is not practical, a statement will be included that such a rule, guideline, protocol, or criterion was relied upon in making the denial and a copy will be provided free of charge to the claimant upon request.

When the Participant receives a denial, the Participant shall have 180 days following receipt of the notification in which to appeal the decision. The Participant may submit written comments, documents, records, and other information relating to the Claim. If the Participant requests, the Participant shall be provided, free of charge, reasonable access to, and copies of, all documents, records, and other information relevant to the Claim.

The period of time within which a decision on review is required to be made will begin at the time an appeal is filed in accordance with the procedures of the Plan. This timing is without regard to whether all the necessary information accompanies the filing.

A document, record, or other information shall be considered relevant to a Claim if it:

1. was relied upon in making the claim determination;
2. was submitted, considered, or generated in the course of making the claim determination, without regard to whether it was relied upon in making the claim determination;
3. demonstrated compliance with the administrative processes and safeguards designed to ensure and to verify that claim determinations are made in accordance with Plan documents and Plan provisions have been applied consistently with respect to all claimants; or
4. constituted a statement of policy or guidance with respect to the Plan concerning the denied claim.

The review will take into account all comments, documents, records, and other information submitted by the claimant relating to the Claim, without regard to whether such information was submitted or considered in the initial claim determination. The review will not afford deference to the initial denial and will be conducted by a fiduciary of the Plan who is neither the individual who made the adverse determination nor a subordinate of that individual.

- c. **Forfeitures.** Any balance remaining in the Participant's Dependent Care Flexible Spending Account or Health Flexible Spending Account as of the end of the time for claims reimbursement for each Plan Year shall be forfeited and deposited in the benefit plan surplus of the Employer pursuant to the Section titled: "Forfeitures", whichever is applicable. Provided, any provision of the Plan to the contrary notwithstanding, where a Participant has properly appealed the denial of a claim and the appeal has not been finally resolved or the appeal has been finally resolved in favor of the Participant, no forfeiture shall take place as to any such balance in dispute. If any such claim is denied on appeal, the amount held beyond the end of the Plan Year shall be forfeited and credited to the benefit plan surplus. If the Plan

Administrator is unable to make payment to any Participant or other person to whom a payment is due under the Plan because it cannot ascertain the identity or whereabouts of such Participant or other person after reasonable efforts have been made to identify or locate such person, then such payment and all subsequent payments otherwise due to such Participant or other person shall be forfeited and returned to the Employer following a reasonable time after the date any such payment first became due.

2. **APPLICATION OF BENEFIT PLAN SURPLUS**

Any forfeited amounts credited to the benefit plan surplus may, but need not be, separately accounted for after the close of the Plan Year (or after such further time specified herein for the filing of claims) in which such forfeitures arose. In no event shall such amounts be carried over to reimburse a Participant for expenses incurred during a subsequent Plan Year for the same or any other Benefit available under the Plan; nor shall amounts forfeited by a particular Participant be made available to such Participant in any other form or manner, except as permitted by Treasury regulations. Amounts in the benefit plan surplus shall be used to defray any administrative costs and experience losses or used to provide additional benefits under the Plan.

3. **NAMED FIDUCIARY**

The Administrator shall be the named fiduciary pursuant to ERISA Section 402 and shall be responsible for the management and control of the operation and administration of the Plan.

4. **GENERAL FIDUCIARY RESPONSIBILITIES**

The Administrator and any other fiduciary under ERISA shall discharge their duties with respect to this Plan solely in the interest of the Participants and their beneficiaries and

- a. for the exclusive purpose of providing Benefits to Participants and their beneficiaries and defraying reasonable expenses of administering the Plan;
- b. with the care, skill, prudence and diligence under the circumstances then prevailing that a prudent person acting in like capacity and familiar with such matters would use in the conduct of an enterprise of a like character and with like aims; and
- c. in accordance with the documents and instruments governing the Plan insofar as such documents and instruments are consistent with ERISA.

5. **NONASSIGNABILITY OF RIGHTS**

The right of any Participant to receive any reimbursement under the Plan shall not be alienable by the Participant by assignment or any other method, and shall not be subject to the rights of creditors, and any attempt to cause such right to be so alienated or subjected shall not be recognized, except to such extent as may be required by law.

IX. ARTICLE - ADMINISTRATION

1. PLAN ADMINISTRATION

The Employer shall be the Administrator, unless the Employer elects otherwise. The Employer may appoint any person or persons, including, but not limited to, one or more Employees of the Employer, to perform the duties of the Administrator. Any person so appointed shall signify acceptance by filing written acceptance with the Employer. An Administrator may resign by delivering a written resignation to the Employer or may be removed by the Employer by delivery of written notice of removal, to take effect at a date specified therein, or upon delivery if no date is specified. Upon the resignation or removal of any individual performing the duties of the Administrator, the Employer may designate a successor. The Employer shall be empowered to appoint and remove the Administrator from time to time as it deems necessary for the proper administration of the Plan to ensure that the Plan is being operated for the exclusive benefit of the Employees entitled to participate in the Plan in accordance with the terms of ERISA, the Plan and the Code.

The operation of the Plan shall be under the supervision of the Administrator. It shall be a principal duty of the Administrator to see that the Plan is carried out in accordance with its terms, and for the exclusive benefit of Employees entitled to participate in the Plan. The Administrator shall have full power and discretion to administer the Plan in all of its details and determine all questions arising in connection with the administration, interpretation, and application of the Plan. The Administrator may establish procedures, correct any defect, supply any information, or reconcile any inconsistency in such manner and to such extent as shall be deemed necessary or advisable to carry out the purpose of the Plan. The Administrator shall have all powers necessary or appropriate to accomplish the Administrator's duties under the Plan. The Administrator shall be charged with the duties of the general administration of the Plan as set forth under the Plan, including, but not limited to, in addition to all other powers provided by this Plan:

- a. To make and enforce such procedures, rules and regulations as the Administrator deems necessary or proper for the efficient administration of the Plan;
- b. To interpret the provisions of the Plan, the Administrator's interpretations thereof in good faith to be final and conclusive on all persons claiming benefits by operation of the Plan;
- c. To decide all questions concerning the Plan and the eligibility of any person to participate in the Plan and to receive benefits provided by operation of the Plan;
- d. To reject elections or to limit contributions or Benefits for certain highly compensated participants if it deems such to be desirable in order to avoid discrimination under the Plan in violation of applicable provisions of the Code;
- e. To provide Employees with a reasonable notification of their benefits available by operation of the Plan and to assist any Participant regarding the

Participant's rights, benefits or elections under the Plan;

- f. To keep and maintain the Plan documents and all other records pertaining to and necessary for the administration of the Plan;
- g. To review and settle all claims against the Plan, to approve reimbursement requests, and to authorize the payment of benefits if the Administrator determines such should be paid. This authority specifically permits the Administrator to settle disputed claims for benefits and any other disputed claims made against the Plan;
- h. To establish and communicate procedures to determine whether a medical child support order is qualified under ERISA Section 609; and
- i. To appoint such agents, counsel, accountants, consultants, and other persons or entities as may be required to assist in administering the Plan.

Any procedure, discretionary act, interpretation or construction taken by the Administrator shall be done in a nondiscriminatory manner based upon uniform principles consistently applied and shall be consistent with the intent that the Plan shall continue to comply with the terms of Code Section 125 and the Treasury regulations thereunder.

2. **EXAMINATION OF RECORDS**

The Administrator shall make available to each Participant, Eligible Employee and any other Employee of the Employer, for examination at reasonable times during normal business hours, such records as pertain to their interest under the Plan.

3. **PAYMENT OF EXPENSES**

Any reasonable administrative expenses shall be paid by the Employer unless the Employer determines that administrative costs shall be borne by the Participants under the Plan or by any Trust Fund which may be established hereunder. The Administrator may impose reasonable conditions for payments, provided that such conditions shall not discriminate in favor of highly compensated employees.

4. **INSURANCE CONTROL CLAUSE**

In the event of a conflict between the terms of this Plan and the terms of an Insurance Contract of an independent third party Insurer whose product is then being used in conjunction with this Plan, the terms of the Insurance Contract shall control as to those Participants receiving coverage under such Insurance Contract. For this purpose, the Insurance Contract shall control in defining the persons eligible for insurance, the dates of their eligibility, the conditions which must be satisfied to become insured, if any, the benefits Participants are entitled to and the circumstances under which insurance terminates.

5. **INDEMNIFICATION OF ADMINISTRATOR**

The Employer agrees to indemnify and to defend to the fullest extent permitted by law any Employee serving as the Administrator or as a member of a committee designated as Administrator (including any Employee or former Employee who previously served as Administrator or as a member of such committee) against all

liabilities, damages, costs and expenses (including attorney's fees and amounts paid in settlement of any claims approved by the Employer) occasioned by any act or omission to act in connection with the Plan, if such act or omission is in good faith.

X. ARTICLE - AMENDMENT OR TERMINATION OF PLAN

1. AMENDMENT

The Employer, at any time or from time to time, may amend any or all of the provisions of the Plan without the consent of any Employee or Participant. No amendment shall have the effect of modifying any benefit election of any Participant in effect at the time of such amendment, unless such amendment is made to comply with Federal, state and local laws, statutes and regulations.

2. TERMINATION

The Employer reserves the right to terminate this Plan, in whole or in part, at any time. In the event the Plan is terminated, no further contributions shall be made. Benefits under any Insurance Contract shall be paid in accordance with the terms of the Insurance Contract.

No further additions shall be made to the Health Flexible Spending Account or Dependent Care Flexible Spending Account , but all payments from such accounts shall continue to be made according to the elections in effect until 90 days after the termination date of the Plan. Any amounts remaining in any such fund or account as of the end of such period shall be forfeited and deposited in the benefit plan surplus after the expiration of the filing period.

XI. ARTICLE - MISCELLANEOUS

1. PLAN INTERPRETATION

All provisions of this Plan shall be interpreted and applied in a uniform, nondiscriminatory manner. This Plan shall be read in its entirety and not severed except as provided in the Section titled: "Severability".

2. GENDER AND NUMBER

Wherever any words are used herein in the masculine, feminine or neuter gender, they shall be construed as though they were also used in another gender in all cases where they would so apply, and whenever any words are used herein in the singular or plural form, they shall be construed as though they were also used in the other form in all cases where they would so apply.

3. WRITTEN DOCUMENT

This Plan, in conjunction with any separate written document which may be required by law, is intended to satisfy the written Plan requirement of Code Section 125 and any Treasury regulations thereunder relating to cafeteria plans.

4. EXCLUSIVE BENEFIT

This Plan shall be maintained for the exclusive benefit of the Employees who participate in the Plan.

5. PARTICIPANT'S RIGHTS

This Plan shall not be deemed to constitute an employment contract between the Employer and any Participant or to be a consideration or an inducement for the employment of any Participant or Employee. Nothing contained in this Plan shall be deemed to give any Participant or Employee the right to be retained in the service of the Employer or to interfere with the right of the Employer to discharge any Participant or Employee at any time regardless of the effect which such discharge shall have upon him as a Participant of this Plan.

6. ACTION BY THE EMPLOYER

Whenever the Employer under the terms of the Plan is permitted or required to do or perform any act or matter or thing, it shall be done and performed by a person duly authorized by the Employer.

7. EMPLOYER'S PROTECTIVE CLAUSES

a. **Insurance purchase.** Upon the failure of either the Participant or the Employer to obtain the insurance contemplated by this Plan (whether as a result of negligence, gross neglect or otherwise), the Participant's Benefits shall be limited to the insurance premium(s), if any, that remained unpaid for the period in question and the actual insurance proceeds, if any, received by the Employer or the Participant as a result of the Participant's claim.

b. **Validity of insurance contract.** The Employer shall not be responsible for

the validity of any Insurance Contract issued hereunder or for the failure on the part of the Insurer to make payments provided for under any Insurance Contract. Once insurance is applied for or obtained, the Employer shall not be liable for any loss which may result from the failure to pay Premiums to the extent Premium notices are not received by the Employer.

8. **NO GUARANTEE OF TAX CONSEQUENCES**

Neither the Administrator nor the Employer makes any commitment or guarantee that any amounts paid to or for the benefit of a Participant under the Plan will be excludable from the Participant's gross income for federal or state income tax purposes, or that any other federal or state tax treatment will apply to or be available to any Participant. It shall be the obligation of each Participant to determine whether each payment under the Plan is excludable from the Participant's gross income for federal and state income tax purposes, and to notify the Employer if the Participant has reason to believe that any such payment is not so excludable. Notwithstanding the foregoing, the rights of Participants under this Plan shall be legally enforceable.

9. **INDEMNIFICATION OF EMPLOYER BY PARTICIPANTS**

If any Participant receives one or more payments or reimbursements under the Plan that are not for a permitted Benefit, such Participant shall indemnify and reimburse the Employer for any liability it may incur for failure to withhold federal or state income tax or Social Security tax from such payments or reimbursements. However, such indemnification and reimbursement shall not exceed the amount of additional federal and state income tax (plus any penalties) that the Participant would have owed if the payments or reimbursements had been made to the Participant as regular cash compensation, plus the Participant's share of any Social Security tax and Medicare tax that would have been paid on such compensation, less any such additional income tax, Social Security tax, and Medicare tax actually paid by the Participant.

10. **FUNDING**

Unless otherwise required by law, contributions to the Plan need not be placed in trust or dedicated to a specific Benefit, but may instead be considered general assets of the Employer. Furthermore, and unless otherwise required by law, nothing herein shall be construed to require the Employer or the Administrator to maintain any fund or segregate any amount for the benefit of any Participant, and no Participant or other person shall have any claim against, right to, or security or other interest in, any fund, account or asset of the Employer from which any payment under the Plan may be made.

11. **GOVERNING LAW**

This Plan is governed by the Code and the Treasury regulations issued thereunder (as they might be amended from time to time). In no event does the Employer guarantee the favorable tax treatment sought by this Plan. To the extent not preempted by Federal law, the provisions of this Plan shall be construed, enforced and administered according to the laws of the .

12. **SEVERABILITY**

If any provision of the Plan is held invalid or unenforceable, its invalidity or unenforceability shall not affect any other provisions of the Plan, and the Plan shall be construed and enforced as if such provision had not been included herein.

13. **CAPTIONS**

The captions contained herein are inserted only as a matter of convenience and for reference, and in no way define, limit, enlarge or describe the scope or intent of the Plan, nor in any way shall affect the Plan or the construction of any provision thereof.

14. **CONTINUATION OF COVERAGE (COBRA)**

Notwithstanding anything in the Plan to the contrary, in the event any benefit under this Plan subject to the continuation coverage requirement of Code Section 4980B becomes unavailable, each Participant will be entitled to continuation coverage as prescribed in Code Section 4980B, and related regulations. This Section shall only apply if the Employer employs at least twenty (20) employees on more than 50% of its typical business days in the previous calendar year.

15. **FAMILY AND MEDICAL LEAVE ACT (FMLA)**

Notwithstanding anything in the Plan to the contrary, in the event any benefit under this Plan becomes subject to the requirements of the Family and Medical Leave Act and regulations thereunder, this Plan shall be operated in accordance with Regulation 1.125-3.

16. **HEALTH INSURANCE PORTABILITY AND ACCOUNTABILITY ACT (HIPAA)**

Notwithstanding anything in this Plan to the contrary, this Plan shall be operated in accordance with HIPAA and regulations thereunder.

17. **UNIFORM SERVICES EMPLOYMENT AND REEMPLOYMENT RIGHTS ACT (USERRA)**

The Employer shall keep an updated list of those authorized to receive Protected Health Information.
1. An authorized member of the Employer's workforce who receives Protected Health Information shall use or disclose the Protected Health Information only to the extent necessary to perform his or her duties with respect to the Plan.

9. If feasible, return or destroy all Protected Health Information received from the Plan that the Employer still maintains in any form, and retain no copies of such information when no longer needed for the purpose for which disclosure was made, except that, if such return or destruction is not feasible, limit further uses and disclosures to those purposes that make the return or destruction of the information infeasible; and
10. Ensure the adequate separation between the Plan and members of the Employer's workforce, as required by Section 164.504(f)(2)(iii) of the Privacy Standards.

19. **COMPLIANCE WITH HIPAA ELECTRONIC SECURITY STANDARDS**

Under the Security Standards for the Protection of Electronic Protected Health Information (45 CFR Part 164.300 et. seq., the "Security Standards"):

- a. **Implementation.** The Employer agrees to implement reasonable and appropriate administrative, physical and technical safeguards to protect the confidentiality, integrity and availability of Electronic Protected Health Information that the Employer creates, maintains or transmits on behalf of the

Washtenaw County Road Commission Cafeteria Plan

INTRODUCTION

The Company's Flexible Benefit Plan ("Plan") has been established to allow Eligible Employees to pay for certain benefits on a pre-tax basis. There are specific benefits that you may elect, and they are outlined in this Summary Plan Description. You will also be informed about other important information concerning the Plan, such as the conditions you must satisfy before you can join and the laws that protect your rights.

Read this Summary Plan Description ("SPD") carefully so that you understand the provisions of the Plan and the benefits you will receive. This SPD describes the Plan's benefits and obligations as contained in the Plan document, which governs the operation of the Plan. The Plan document is written in much more technical language. Please note that if the non-technical language in this SPD and the legal language of the Plan document conflict, the Plan document will always govern the Plan. Also, if there is a conflict between any of the insurance contracts and either the Plan document or this Summary Plan Description, the insurance contracts will control the respective insurance policies. If you wish to receive a copy of the legal Plan document, please contact the Plan Administrator.

The Plan is subject to the Internal Revenue Code and other federal and state laws and regulations that may affect your rights under this plan. This SPD explains the current details of the Plan in order to comply with all applicable legal requirements. From time to time, the Plan may be revised due to a change in laws or due to pronouncements by the Internal Revenue Service (IRS) or other federal agencies. This Plan may be amended or terminated by the Company. If the Plan is ever amended or changed, the Company will notify you.

This SPD was designed to provide you with information regarding the Company Flexible Benefit Plan. If this SPD does not answer all of your questions, please contact the Administrator (or other assigned person). The name and address of the Administrator can be found in the Article of this SPD entitled "General Information About our Plan."

I. ARTICLE - ELIGIBILITY

1. How can I participate in the Plan?

Before you can become a Participant in the Plan, there are certain conditions that you must satisfy. First, you must be an active employee working 40 or more hours per week and meet the eligibility requirements. After that, you must enroll in the Plan on the "entry date" that has been established for all employees. The "entry date" is defined in Question 3 below. However, in certain limited situations, you may enroll in the Plan at other times as well. See the Article titled: "Contributions".

2. What are the eligibility requirements for our Plan?

You will be eligible to join the Plan once you have satisfied the conditions for coverage under our group medical plan and the other eligibility requirements established by your employer as defined in this section.

3. When can I enter the plan?

You can enter the Plan on the first of the month following the date you met the eligibility requirements.

4. **How do I enroll in the Plan?**

Before you can join the Plan, you must complete an enrollment form. The enrollment form will allow you to select which benefits you want to participate in under the Plan. This form will also authorize the Company to redirect some of your earnings in order to pay for the benefits you select.

However, if you are already covered under any of the insured benefits, you will automatically participate in this Plan to the extent of your premiums unless you elect not to participate in this Plan. These benefits are listed in the Article titled: "Benefits".

II. ARTICLE - OPERATION

1. How does this Plan operate?

Before the start of each Plan Year, you will be able to elect to have some of your earnings contributed to the Plan. These amounts will be used to pay for the benefits you have chosen. The portion of your earnings that is paid to the Plan is not subject to Federal income or Social Security taxes. In other words, this allows you to use tax-free dollars to pay for certain kinds of benefits and expenses that you normally pay for with out-of-pocket, taxable dollars. However, if you receive a reimbursement for an expense under this Plan, you cannot claim a Federal income tax credit or deduction on your return. Participation in this plan is completely voluntary.

III. ARTICLE - CONTRIBUTIONS; ELECTIONS

1. **How much of my pay may the Employer redirect?**

Each year, we will automatically contribute on your behalf enough of your compensation to pay for the insurance coverage provided unless you elect not to receive any or all of such coverage. You may also elect to have us contribute on your behalf enough of your compensation to pay for any other benefits that you elect under the Plan. These amounts will be deducted from your pay over the course of the year on a per payroll basis.

2. **What happens to contributions made to the Plan?**

Prior to the Plan start date each year, you must decide on the amount of pre-tax dollars you want to contribute to the Plan. It is very important that you make these choices carefully based on what you expect to spend on each covered benefit or expense during the Plan Year. Later, those dollars will be used to pay those expenses as they arise during the Plan Year. In addition, you should also note that any previous benefit payments made from any Account under the Plan that are unclaimed (e.g., uncashed benefit checks) at the end of the Plan Year following the period of coverage in which the qualifying expense was incurred will be forfeited to the Employer, including those unused funds remaining in your Health Flexible Spending Account after the 2.5 month grace period and any run-out period described in the Article titled: "Benefits".

For information regarding the administration of contributions in specific accounts under this Plan, please refer to the Article titled: "Benefits".

3. **When must I decide which accounts I want to use?**

You are required by Federal regulations to decide during the enrollment or election period (defined below) prior to the Plan Year start. You must decide which accounts you want and how much you want to contribute to each account.

If you are already covered by any of the insured benefits offered by this Plan, you will automatically become a Participant to the extent of the premiums for such insurance, unless you elect during the election period (defined below) not to participate in the Plan.

4. **When is the election period for our Plan?**

You will make your initial election on or before your entry date. (Please review the Article titled: "Eligibility" to better understand the eligibility requirements and entry date.) Then, for each following Plan Year, the election period is established by the Company and applied uniformly to all Participants. It will normally be a period of time prior to the beginning of each Plan Year. The Company will inform you each year about the election period. (See the Article entitled "General Information About Our Plan" for the definition of Plan Year.)

5. **May I change my elections during the Plan Year?**

Generally, you cannot change the elections you have made after the beginning of

the Plan Year. However, there are certain limited situations when you can change your elections.

You are permitted to change elections if you have a "change in status" and you make an election change that is consistent with the change in status. Currently, Federal law considers the following events to be a change in status:

- Marriage, divorce, death of a spouse, legal separation or annulment;
- Change in the number of dependents, including birth, adoption, placement for adoption, or death of a dependent;
- Any of the following events for you, your spouse or dependent: termination or commencement of employment, a strike or lockout, commencement or return from an unpaid leave of absence, a change in worksite, or any other change in employment status that affects eligibility for benefits;
- One of your dependents satisfies or ceases to satisfy the requirements for coverage due to change in age, student status, or any similar circumstance; and
- A change in the place of residence of you, your spouse or dependent that would lead to a change in status, such as moving out of a coverage area for insurance.

In addition, if you are participating in the Dependent Care Flexible Spending Account, then there is a change in status if your dependent no longer meets the qualifications to be eligible for dependent care.

There are detailed rules on when a change in election is deemed to be consistent with a change in status. In addition, there are laws that give you certain other rights to change health coverage for you, your spouse, or your dependents. If you change coverage due to rights you have under the law, then you can make a corresponding change in your elections under the Plan. If any of these conditions apply to you, you should contact the Administrator.

If the cost of a benefit provided under the Plan increases or decreases during a Plan Year, then we will automatically increase or decrease, as the case may be, your salary redirection election. If the cost increases significantly, you will be permitted to either make corresponding changes in your payments or revoke your election and obtain coverage under another benefit package option with similar coverage, or revoke your election entirely.

If the coverage under a Benefit is significantly curtailed or ceases during a Plan Year, then you may revoke your elections and elect to receive on a prospective basis coverage under another plan with similar coverage. In addition, if the Company adds a new coverage option or eliminates an existing option, you may elect the newly-added option (or elect another option if an option has been eliminated) and make corresponding election changes to other options providing similar coverage. If you are not a Participant, you may elect to join the Plan. There are also certain situations when you may be able to change your elections on account of a change under the plan of your spouse, former spouse or dependent's employer.

These rules on change due to cost or coverage do not apply to the Health Flexible Spending Account, and you may not change your election to the Health Flexible Spending Account if you make a change due to cost or coverage for insurance.

You may not change your election under the Dependent Care Flexible Spending Account if the cost change is imposed by a dependent care provider who is your relative.

6. **May I make new elections in future Plan Years?**

Yes. For each new Plan Year, you may change the elections that you previously made. You may also choose not to participate in the Plan for the upcoming Plan Year. If you do not make new elections during the election period before a new Plan Year begins, the Company will assume you want your elections for insured benefits only to remain the same and you will not be considered a Participant for the non-insured benefit options under the Plan for the upcoming Plan Year.

IV. ARTICLE - BENEFITS

1. What benefits are offered under the Plan?

You may choose to receive your entire compensation or use a portion to pay for benefits under this plan.

2. Health Flexible Spending Account

The Health Flexible Spending Account enables you to pay for expenses allowed under Sections 105 and 213(d) of the Internal Revenue Code and that are not covered by our insured medical plan, and to save taxes at the same time. The Health Flexible Spending Account allows you to be reimbursed by the Employer for out-of-pocket medical, dental and/or vision expenses incurred by you and your dependents.

Drug costs, including insulin, may be reimbursed.

Beginning January 1, 2011, you may be reimbursed for "over the counter" drugs only if those drugs are prescribed for you. You may not, however, be reimbursed for the cost of other health care coverage maintained outside of the Plan, or for long-term care expenses. A list of covered expenses is available from the Administrator.

The most that you can contribute to your Health Flexible Spending Account for the Plan Year is \$2,550.00. In addition, you may carry over any amount left in your account up to \$500.00. This amount can be used the following Plan year to pay for eligible expenses.

In order to be reimbursed for a health care expense, you must submit to the Administrator an itemized bill from the service provider. The Company will also provide you with a debit card to use to pay for qualified medical expenses. The Administrator will provide you with further details about the debit card. Amounts reimbursed from the Plan may not be claimed as a deduction on your personal income tax return. As required by law, reimbursement from the fund shall be paid at least once a month. Expenses under this Plan are treated as being "incurred" when you are provided with the care that gives rise to the expenses, not when you are formally billed or charged, or you pay for the medical care.

You may be reimbursed for expenses for any child until the end of the calendar year in which the child reaches age 26. A "child" is a natural child, stepchild, foster child, adopted child, or a child placed with you for adoption. If a child gains or regains eligibility due to these new rules, that qualifies as a change in status for purposes of coverage changes.

Newborns' and Mothers' Health Protection Act: Group health plans generally may not, under Federal law, restrict benefits for any hospital length of stay in connection with childbirth for the mother or newborn child to less than 48 hours following a vaginal delivery, or less than 96 hours following a cesarean section. However, Federal law generally does not prohibit the mother's or newborn's attending provider, after consulting with the mother, from discharging the mother or her newborn earlier than 48 hours (or 96 hours as applicable). In any case, plans

and issuers may not, under Federal law, require that a provider obtain authorization from the plan or the issuer for prescribing a length of stay not in excess of 48 hours (or 96 hours).

Women's Health and Cancer Rights Act: This plan, as required by the Women's Health and Cancer Rights Act of 1998, will reimburse up to plan limits for benefits for mastectomy-related services including reconstruction and surgery to achieve symmetry between the breasts, prostheses, and complications resulting from a mastectomy (including lymphedema). Contact your Plan Administrator for more information.

3. **Dependent Care Flexible Spending Account**

The Dependent Care Flexible Spending Account enables you to pay for out-of-pocket, work-related dependent day-care costs with pre-tax dollars. If you are married, you can use the account if you and your spouse both work or, in some situations, if your spouse goes to school full-time. Single employees can also use the account.

The most that you can contribute to your Dependent Care Flexible Spending Account for the Plan Year is \$5,000.00.

An eligible dependent is someone for whom you can claim expenses on Federal Income Tax Form 2441 "Credit for Child and Dependent Care Expenses." Children must be under age 13. Other dependents must be physically or mentally unable to care for themselves. Dependent Care arrangements which qualify include:

- a. A Dependent (Day) Care Center, provided that if care is provided by the facility for more than six individuals, the facility complies with applicable state and local laws;
- b. An Educational Institution for pre-school children. For older children, only expenses for non-school care are eligible; and
- c. An "Individual" who provides care inside or outside your home: The "Individual" may not be a child of yours under age 19 or anyone you claim as a dependent for Federal tax purposes.

You should make sure that the dependent care expenses you are currently paying qualify under our Plan. The Company will also provide you with a debit card to use to pay dependent care expenses. The Administrator will provide you with further details about the debit card.

The law places limits on the amount of money that can be paid to you in a calendar year from your Dependent Care Flexible Spending Account. Generally, your reimbursements may not exceed the lesser of: (a) \$5,000.00 (if you are married filing a joint return or you are head of a household) or \$2,500 (if you are married filing separate returns); (b) your taxable compensation; (c) your spouse's actual or deemed annual earned income (a spouse who is a full time student or incapable of caring for himself/herself has a deemed monthly earned income of \$250 for one dependent or \$500 for two or more dependents).

Also, in order to be able to exclude from your income the reimbursements made to

you from this account, you must provide on your tax form for the year the name, address, and in most cases, the taxpayer identification number of the service provider, as well as the amount of such expense. In addition, Federal tax laws permit a tax credit for certain dependent care expenses you may be paying even if you are not a Participant in this Plan. You may save more money if you take advantage of this tax credit rather than using the Dependent Care Flexible Spending Account under our Plan. Consult with your tax adviser for further information.

4. **Premium Expense Account**

A Premium Expense Account allows you to use tax-free dollars to pay for certain premium expenses under various group insurance programs the Company offers you. These premium expenses include:

Under this Plan, the Company will establish sub-accounts for you for each different type of insurance coverage that is available. Also, certain limits on the amount of coverage may apply.

The Company may terminate or modify Plan benefits at any time, subject to the provisions of any insurance contracts providing benefits described above. The Company will not be liable to you if an insurance company fails to provide any of the benefits described above. Also, your insurance will end when you leave employment, are no longer eligible under the terms of any insurance policies, or when insurance terminates.

Any benefits to be provided by insurance will be provided only after (1) you have provided the Administrator the necessary information to apply for insurance, and (2) the insurance is in effect for you.

If you cover your children up to age 26 under your insurance, you can pay for that coverage through the Plan.

V. ARTICLE - BENEFIT PAYMENTS

1. When will I receive payments from my accounts?

During the course of the Plan Year, you may submit requests for reimbursement of expenses you have incurred. Expenses are considered "incurred" when the service is performed, not necessarily when it is paid for. The Administrator will provide you with acceptable forms for submitting these requests for reimbursement. If the request qualifies as a benefit or expense that the Plan has agreed to pay, you will receive a reimbursement payment soon thereafter. Remember, these reimbursements which are made from the Plan are generally not subject to federal income tax or withholding. Nor are they subject to Social Security taxes. Requests for payment of insured benefits should be made directly to the insurer. You will only be reimbursed from the Health Flexible Spending Account or Dependent Care Flexible Spending Account to the extent that there are sufficient funds in the Account to cover your request.

2. What happens if I don't spend all Plan contributions during the Plan Year?

If you have unused contributions in your account at the end of the current Plan Year, those monies will be forfeited to the Employer. Obviously, qualifying expenses that you incur late in the Plan Year for which you seek reimbursement after the end of such Plan Year will be paid first before any amount is forfeited.

At the end of the Plan Year, and after all eligible reimbursements have been made, any unused funds up to \$500.00 in your Health Flexible Spending Account will roll over into the new Plan Year. Any unused funds left in the account over \$500.00 will be forfeited to the Employer. For the Health Flexible Spending Account, you must submit claims no later than 90 days after the end of the Plan Year.

For the Dependent Care Flexible Spending Account, you can continue to receive reimbursement for expenses incurred during the first 2.5 months immediately following the end of the Plan year, until such unused funds are depleted. All claims must be submitted no later than 90 days after the end of the plan year.

Because it is possible that you might forfeit amounts in the Plan if you do not fully use the contributions that have been made, it is important that you decide how much to place in each account carefully and conservatively. Remember, you must decide which benefits you want to contribute to and how much to place in each account before the Plan Year begins. You want to be as certain as you can that the amount you decide to place in each account will be used up entirely.

3. Family and Medical Leave Act (FMLA)

If you take a leave under the Family and Medical Leave Act, you may continue, revoke or change your existing elections for health insurance and the Health Flexible Spending Account. If your coverage for these benefits terminates, due to your revocation of the benefit to your non-payment of contributions, you will be permitted to reinstate coverage for the remaining part of the Plan Year upon your return. You can resume your coverage at its original level and make payments for the time that you are on leave. For example, if you elect \$1,200 for the year and

are out on leave for 3 months, then return and elect to resume your coverage at that level, your remaining payments will be increased to cover the difference – for example, from \$100 per month to \$150 per month, etc. Alternatively your maximum amount will be reduced proportionately for the time that you were gone. For example, if you elect \$1,200 for the year and are out on leave for 3 months, your amount will be reduced to \$900. The expenses you incur during the time you are not in the Health Flexible Spending Account are not reimbursable.

If you continue your coverage during your unpaid leave, you may pre-pay for the coverage, you may pay for your coverage on an after-tax basis while you are on leave, or you and your Employer may arrange a schedule for you to "catch up" your payments when you return.

4. **Uniformed Services Employment and Reemployment Rights Act (USERRA)**

If you are going into or returning from military service, you may have special rights to health care coverage through your Health Flexible Spending Account under the Uniformed Services Employment and Reemployment Rights Act of 1994. These rights can include extended health care coverage. If you may be affected, ask your Administrator for further details.

5. **What happens if my employment terminates?**

If you terminate employment during the Plan Year, your right to benefits will be determined in the following manner:

- a. You will remain covered by insurance, but only for the period for which premiums have been paid prior to your termination of employment.
- b. You will still be able to request reimbursement for qualifying dependent care expenses up to 90 days after the date of termination from the balance remaining in your Dependent Care Account at the time of termination of employment. However, no further salary redirection contributions will be made on your behalf after termination.
- c. For health benefit coverage and Health Flexible Spending Account coverage on termination of employment, please see the Article entitled "Continuation Coverage Rights Under COBRA." Upon your termination of employment, your participation in the Health Flexible Spending Account will cease, and no further salary redirection contributions will be contributed on your behalf. However, you will be able to submit, within 90 days after the date of termination, claims for health care expenses that were incurred before the end of the period for which payments to the Health Flexible Spending Account have already been made. Your further participation will be governed by "Continuation Coverage Rights Under COBRA."

6. **Will my Social Security benefits be affected?**

Your Social Security benefits may be slightly reduced because when you receive tax-free benefits under our Plan, it reduces the amount of contributions that you make to the Federal Social Security system as well as the Company contributions to Social Security on your behalf.

VI. ARTICLE - HIGHLY COMPENSATED AND KEY EMPLOYEES

1. Do limitations apply to highly compensated employees?

Under the Internal Revenue Code, highly compensated employees and key employees generally are Participants who are officers, shareholders or are highly paid. You will be notified by the Administrator each Plan Year whether you are a highly compensated employee or a key employee.

If you are within these categories, the amount of contributions and benefits for you may be limited so that the Plan as a whole does not unfairly favor those who are highly paid, their spouses or their dependents. Federal tax laws state that a plan will be considered to unfairly favor the key employees if they as a group receive more than 25% of all of the nontaxable benefits provided for under our Plan.

Plan experience will dictate whether contribution limitations on highly compensated employees or key employees will apply. You will be notified of these limitations if you are affected.

VII. ARTICLE - PLAN ACCOUNTING

1. Periodic Statements

Periodically during the Plan Year, the Administrator will provide you with a statement of your account that shows your account balance. It is important to read these statements carefully so you understand the balance remaining to pay for a benefit. Remember, you want to spend all the money you have designated for a particular benefit by the end of the Plan Year.

IX. ARTICLE - ADDITIONAL PLAN INFORMATION

1. Your Rights Under ERISA

As a participant in the Plan, you are entitled to certain rights and protections under the Employee Retirement Income Security Act of 1974 (ERISA) and the Internal Revenue Code. These laws provide that Participants, eligible employees and all other employees are entitled to:

- a. examine, without charge, at the Plan Administrator's office, all Plan documents, including insurance contracts, collective bargaining agreements, and a copy of the latest annual report (Form 5500 Series) filed by the Plan with the U.S. Department of Labor (also available at the Public Disclosure Room of the Employee Benefits Security Administration);
- b. obtain copies of all documents that govern the operations of the Plan, and other Plan information, upon written request to the Administrator. The Administrator may charge a reasonable fee for copies;
- c. continue health coverage for yourself, Spouse, or other dependents if there is a loss of coverage under the Plan as a result of a qualifying event. You or your dependents may have to pay for such coverage; and
- d. review this summary plan description and the documents governing COBRA continuation rights under the Plan.

In addition to creating rights for Plan Participants, ERISA imposes duties upon the people who are responsible for the operation of the Plan. The people who operate your Plan, who are called "fiduciaries" of the Plan, have a duty to do so prudently and in the best interest of you and the other Plan Participants and beneficiaries.

No one, including your employer or any other person, may fire you or otherwise discriminate against you in any way to prevent you from obtaining a benefit or exercising your rights under ERISA.

If your claim for a benefit is denied or ignored, in whole or in part, you have a right to know why this was done, to obtain copies of documents relating to the decision without charge, and to appeal any denial, all within certain time schedules.

If you have a claim for benefits which is denied or ignored, in whole or in part, you may file suit in a state or Federal court. In addition, if you disagree with the Plan's decision or lack thereof concerning the qualified status of a medical child support order, you may file suit in Federal court.

Under ERISA there are steps you can take to enforce the above rights. For instance, if you request materials from the Plan and do not receive them within thirty (30) days, you may file suit in a Federal court. In such a case, the court may request the Administrator to provide the materials and pay you up to \$110 a day until you receive the materials, unless the materials were not sent because of reasons beyond the control of the Administrator. If you have a claim for benefits which is denied or ignored, in whole or in part, you may file suit in a state or Federal court.

If it should happen that Plan fiduciaries misuse the Plan's money, or if you are discriminated against for asserting your rights, you may seek assistance from the U.S. Department of Labor, or you may file suit in a Federal court. The court will decide who should pay court costs and legal fees. If you are successful, the court may order the person you have sued to pay these costs and fees. If you lose, the court may order you to pay these costs and fees; for example, if it finds your claim is frivolous.

If you have any questions about the Plan, you should contact the Administrator. If you have any questions about this statement, or about your rights under ERISA or the Health Insurance Portability and Accountability Act (HIPAA), or if you need assistance in obtaining documents from the Administrator, you should contact either the nearest Regional or District Office of the U.S. Department of Labor's Employee Benefits Security Administration (EBSA) or visit the EBSA website at www.dol.gov/ebsa/. (Addresses and phone numbers of Regional and District EBSA Offices are available through EBSA's website.) You may also obtain certain publications about your rights and responsibilities under ERISA by calling the publications hotline of the Employee Benefits Security Administration.

2. **Claims Process**

It is recommended that you submit all reimbursement claims during the Plan Year. For information on how claims will be processed at the end of the Plan Year, please refer to the Article titled: "Benefit Payments".

Claims for insured benefits will be handled in accordance with procedures contained in the insurance policies. All other general requests should be directed to the Administrator of our Plan. If a dependent care claim under the Plan is denied in whole or in part, you or your beneficiary will receive written notification. The notification will include the reasons for the denial, with reference to the specific provisions of the Plan on which the denial was based, a description of any additional information needed to process the claim and an explanation of the claims review procedure. Within 60 days after denial, you or your beneficiary may submit to the Administrator a written request for reconsideration of the denial.

Any such request should be accompanied by documents or records in support of your appeal. You or your beneficiary may review pertinent documents and submit issues and comments in writing. The Administrator will review the claim and provide, within 60 days, a written response to the appeal. (This period may be extended an additional 60 days under certain circumstances.) In this response, the Administrator will explain the reason for the decision, with specific reference to the provisions of the Plan on which the decision is based. The Administrator has the exclusive right to interpret the appropriate plan provisions. Decisions of the Administrator are conclusive and binding.

In the case of a claim for medical expenses under the Health Flexible Spending Account, the following timetable for claims applies:

Notification of whether claim is accepted or denied	30 days
Extension due to matters beyond the control of the Plan	15 days

Insufficient information on the claim:	
Notification of	15 days
Response by Participant	45 days
Review of claim denial	60 days

The Plan Administrator will provide written or electronic notification of any claim denial. The notice will state:

- a. The specific reason or reasons for the denial;
- b. Reference to the specific Plan provisions on which the denial was based;
- c. A description of any additional material or information necessary for the claimant to perfect the claim and an explanation of why such material or information is necessary;
- d. A description of the Plan's review procedures and the time limits applicable to such procedures. This will include a statement of your right to bring a civil action under section 502 of ERISA following a denial on review;
- e. A statement that the claimant is entitled to receive, upon request and free of charge, reasonable access to, and copies of, all documents, records, and other information relevant to the claim; and
- f. If the denial was based on an internal rule, guideline, protocol, or other similar criterion, the specific rule, guideline, protocol, or criterion will be provided free of charge. If this is not practical, a statement will be included that such a rule, guideline, protocol, or criterion was relied upon in making the denial and a copy will be provided free of charge to the claimant upon request.

When you receive a denial, you will have 180 days following receipt of the notification in which to appeal the decision. You may submit written comments, documents, records, and other information relating to the claim. If you request, you will be provided, free of charge, reasonable access to, and copies of, all documents, records, and other information relevant to the claim.

The period of time within which a denial on review is required to be made will begin at the time an appeal is filed in accordance with the procedures of the Plan. This timing is without regard to whether all the necessary information accompanies the filing.

A document, record, or other information shall be considered relevant to a claim if it:

- a. was relied upon in making the claim determination;
- b. was submitted, considered, or generated in the course of making the claim determination, without regard to whether it was relied upon in making the claim determination;

- c. demonstrated compliance with the administrative processes and safeguards designed to ensure and to verify that claim determinations are made in accordance with Plan documents and Plan provisions have been applied consistently with respect to all claimants; or
- d. constituted a statement of policy or guidance with respect to the Plan concerning the denied claim.

The review will take into account all comments, documents, records, and other information submitted by the claimant relating to the claim, without regard to whether such information was submitted or considered in the initial claim determination. The review will not afford deference to the initial denial and will be conducted by a fiduciary of the Plan who is neither the individual who made the adverse determination nor a subordinate of that individual.

3. **Qualified Medical Child Support Order**

A medical child support order is a judgment, decree or order (including approval of a property settlement) made under state law that provides for child support or health coverage for the child of a participant. The child becomes an "alternate recipient" and can receive benefits under the health plans of the Employer, if the order is determined to be "qualified." You may obtain, without charge, a copy of the procedures governing the determination of qualified medical child support orders from the Plan Administrator.

X. ARTICLE - CONTINUATION COVERAGE RIGHTS UNDER COBRA

Under the federal Consolidated Omnibus Budget Reconciliation Act of 1985 (COBRA), certain employees and their families covered under health benefits under this Plan will be entitled to the opportunity to elect a temporary extension of health coverage (called "COBRA continuation coverage") beyond the time when coverage under the Plan would otherwise end. This notice is intended to inform Plan Participants and beneficiaries, in summary fashion, of their rights and obligations under the continuation coverage provisions of COBRA, as amended and reflected in final and proposed regulations published by the Department of the Treasury. This notice is intended to reflect the law and does not grant or take away any rights under the law.

The Plan Administrator or its designee is responsible for administering COBRA continuation coverage. Complete instructions on COBRA, as well as election forms and other information, will be provided by the Plan Administrator or its designee to Plan Participants who become Qualified Beneficiaries under COBRA. While the Plan itself is not a group health plan, it does provide health benefits. Whenever "Plan" is used in this section, it means any of the health benefits under this Plan including the Health Flexible Spending Account.

1. What is COBRA continuation coverage?

COBRA continuation coverage is the temporary extension of group health plan coverage that must be offered to certain Plan Participants and their eligible family members (called "Qualified Beneficiaries") at group rates. The right to COBRA continuation coverage is triggered by the occurrence of a life event that results in the loss of coverage under the terms of the Plan (the "Qualifying Event"). The coverage must be identical to the coverage that the Qualified Beneficiary had immediately before the Qualifying Event, or if the coverage has been changed, the coverage must be identical to the coverage provided to similarly situated active employees who have not experienced a Qualifying Event (in other words, similarly situated non-COBRA beneficiaries).

2. Who can become a Qualified Beneficiary?

In general, a Qualified Beneficiary can be:

- a. Any individual who, on the day before a Qualifying Event, is covered under a Plan by virtue of being on that day either a covered Employee, the Spouse of a covered Employee, or a Dependent child of a covered Employee. If, however, an individual who otherwise qualifies as a Qualified Beneficiary is denied or not offered coverage under the Plan under circumstances in which the denial or failure to offer constitutes a violation of applicable law, then the individual will be considered to have had the coverage and will be considered a Qualified Beneficiary if that individual experiences a Qualifying Event.
- b. Any child who is born to or placed for adoption with a covered Employee during a period of COBRA continuation coverage, and any individual who is covered by the Plan as an alternate recipient under a qualified medical support order. If, however, an individual who otherwise qualifies as a Qualified Beneficiary is denied or not offered coverage under the Plan under

circumstances in which the denial or failure to offer constitutes a violation of applicable law, then the individual will be considered to have had the coverage and will be considered a Qualified Beneficiary if that individual experiences a Qualifying Event.

The term "covered Employee" includes any individual who is provided coverage under the Plan due to his or her performance of services for the employer sponsoring the Plan. However, this provision does not establish eligibility of these individuals. Eligibility for Plan coverage shall be determined in accordance with Plan Eligibility provisions.

An individual is not a Qualified Beneficiary if the individual's status as a covered Employee is attributable to a period in which the individual was a nonresident alien who received from the individual's Employer no earned income that constituted income from sources within the United States. If, on account of the preceding reason, an individual is not a Qualified Beneficiary, then a Spouse or Dependent child of the individual will also not be considered a Qualified Beneficiary by virtue of the relationship to the individual. A domestic partner is not a Qualified Beneficiary.

Each Qualified Beneficiary (including a child who is born to or placed for adoption with a covered Employee during a period of COBRA continuation coverage) must be offered the opportunity to make an independent election to receive COBRA continuation coverage.

3. **What is a Qualifying Event?**

A Qualifying Event is any of the following if the Plan provides that the Plan participant will lose coverage (i.e., cease to be covered under the same terms and conditions as in effect immediately before the Qualifying Event) in the absence of COBRA continuation coverage:

- a. The death of a covered Employee.
- b. The termination (other than by reason of the Employee's gross misconduct), or reduction of hours, of a covered Employee's employment.
- c. The divorce or legal separation of a covered Employee from the Employee's Spouse. If the Employee reduces or eliminates the Employee's Spouse's Plan coverage in anticipation of a divorce or legal separation, and a divorce or legal separation later occurs, then the divorce or legal separation may be considered a Qualifying Event even though the Spouse's coverage was reduced or eliminated before the divorce or legal separation.
- d. A covered Employee's enrollment in any part of the Medicare program.
- e. A Dependent child's ceasing to satisfy the Plan's requirements for a Dependent child (for example, attainment of the maximum age for dependency under the Plan).

If the Qualifying Event causes the covered Employee, or the covered Spouse or a Dependent child of the covered Employee, to cease to be covered under the Plan under the same terms and conditions as in effect immediately before the Qualifying Event, the persons losing such coverage become Qualified Beneficiaries under

COBRA if all the other conditions of COBRA are also met. For example, any increase in contribution that must be paid by a covered Employee, or the Spouse, or a Dependent child of the covered Employee, for coverage under the Plan that results from the occurrence of one of the events listed above is a loss of coverage.

The taking of leave under the Family and Medical Leave Act of 1993 ("FMLA") does not constitute a Qualifying Event. A Qualifying Event will occur, however, if an Employee does not return to employment at the end of the FMLA leave and all other COBRA continuation coverage conditions are present. If a Qualifying Event occurs, it occurs on the last day of FMLA leave and the applicable maximum coverage period is measured from this date (unless coverage is lost at a later date and the Plan provides for the extension of the required periods, in which case the maximum coverage date is measured from the date when the coverage is lost.) Note that the covered Employee and family members will be entitled to COBRA continuation coverage even if they failed to pay the employee portion of premiums for coverage under the Plan during the FMLA leave.

4. **What factors should be considered when determining to elect COBRA continuation coverage?**

You should take into account that a failure to continue your group health coverage will affect your rights under federal law. First, you can lose the right to avoid having pre-existing condition exclusions applied by other group health plans if there is more than a 63-day gap in health coverage and election of COBRA continuation coverage would have enabled you to avoid such a gap. Second, if you do not elect COBRA continuation coverage and pay the appropriate premiums for the maximum time available to you, you will lose the right to convert to an individual health insurance policy that does not impose such pre-existing condition exclusions. Finally, you should take into account that you have special enrollment rights under federal law (HIPAA). You have the right to request special enrollment in another group health plan for which you are otherwise eligible (such as a plan sponsored by your Spouse's employer) within 30 days after Plan coverage ends due to a Qualifying Event listed above. You will also have the same special right at the end of COBRA continuation coverage if you get COBRA continuation coverage for the maximum time available to you.

5. **What is the procedure for obtaining COBRA continuation coverage?**

The Plan has conditioned the availability of COBRA continuation coverage upon the timely election of such coverage. An election is timely if it is made during the election period.

6. **What is the election period and how long must it last?**

The election period is the time period within which the Qualified Beneficiary must elect COBRA continuation coverage under the Plan. The election period must begin no later than the date the Qualified Beneficiary would lose coverage on account of the Qualifying Event and ends 60 days after the later of the date the Qualified Beneficiary would lose coverage on account of the Qualifying Event or the date notice is provided to the Qualified Beneficiary of her or his right to elect COBRA continuation coverage. If coverage is not elected within the 60 day period, all rights to elect COBRA continuation coverage are forfeited.

Note: If a covered Employee who has been terminated or experienced a reduction of hours qualifies for a trade readjustment allowance or alternative trade adjustment assistance under a federal law called the Trade Act of 2002, and the employee and his or her covered dependents have not elected COBRA coverage within the normal election period, a second opportunity to elect COBRA coverage will be made available for themselves and certain family members, but only within a limited period of 60 days or less and only during the six months immediately after their group health plan coverage ended. Any person who qualifies or thinks that he or she and/or his or her family members may qualify for assistance under this special provision should contact the Plan Administrator or its designee for further information.

The Trade Act of 2002 also created a tax credit for certain TAA-eligible individuals and for certain retired employees who are receiving pension payments from the Pension Benefit Guaranty Corporation (PBGC) (eligible individuals). Under the new tax provisions, eligible individuals can either take a tax credit or get advance payment of 65% of premiums paid for qualified health insurance, including continuation coverage. If you have questions about these new tax provisions, you may call the Health Coverage Tax Credit Consumer Contact Center toll-free at 1-866-628-4282. TTD/TTY callers may call toll-free at 1-866-626-4282. More information about the Trade Act is also available at www.doleta.gov/tradeact.

7. **Is a covered Employee or Qualified Beneficiary responsible for informing the Plan Administrator of the occurrence of a Qualifying Event?**

The Plan will offer COBRA continuation coverage to Qualified Beneficiaries only after the Plan Administrator or its designee has been timely notified that a Qualifying Event has occurred. The Employer (if the Employer is not the Plan Administrator) will notify the Plan Administrator or its designee of the Qualifying Event within 30 days following the date coverage ends when the Qualifying Event is:

- a. the end of employment or reduction of hours of employment,
- b. death of the employee,
- c. commencement of a proceeding in bankruptcy with respect to the Employer,
or
- d. entitlement of the employee to any part of Medicare.

IMPORTANT:

For the other Qualifying Events (divorce or legal separation of the employee and spouse or a dependent child's losing eligibility for coverage as a dependent child), you or someone on your behalf must notify the Plan Administrator or its designee in writing within 60 days after the Qualifying Event occurs, using the procedures specified below. If these procedures are not followed or if the notice is not provided in writing to the Plan Administrator or its designee during the 60-day notice period, any spouse or dependent child who loses coverage will not be offered the option to elect continuation coverage. You must send this notice to the Plan Administrator or its designee.

NOTICE PROCEDURES: Any notice that you provide must be ***in writing***. Oral notice, including notice by telephone, is not acceptable. You must mail, fax or hand-deliver your notice to the person, department or firm listed below, at the following address:

Washtenaw County Road Commission

555 N Zeeb Rd
Ann Arbor, MI 48103

If mailed, your notice must be postmarked no later than the last day of the required notice period. Any notice you provide must state:

- the **name of the plan or plans** under which you lost or are losing coverage,
- the **name and address of the employee** covered under the plan,
- the **name(s) and address(es) of the Qualified Beneficiary(ies)**, and
- the **Qualifying Event** and the **date** it happened.

If the Qualifying Event is a **divorce or legal separation**, your notice must include a **copy of the divorce decree or the legal separation agreement**.

Be aware that there are other notice requirements in other contexts, for example, in order to qualify for a disability extension.

Once the Plan Administrator or its designee receives *timely notice* that a Qualifying Event has occurred, COBRA continuation coverage will be offered to each of the qualified beneficiaries. Each Qualified Beneficiary will have an independent right to elect COBRA continuation coverage. Covered employees may elect COBRA continuation coverage for their spouses, and parents may elect COBRA continuation coverage on behalf of their children. For each Qualified Beneficiary who elects COBRA continuation coverage, COBRA continuation coverage will begin on the date that plan coverage would otherwise have been lost. If you or your spouse or dependent children do not elect continuation coverage within the 60-day election period described above, the right to elect continuation coverage will be lost.

8. **Is a waiver before the end of the election period effective to end a Qualified Beneficiary's election rights?**

If, during the election period, a Qualified Beneficiary waives COBRA continuation coverage, the waiver can be revoked at any time before the end of the election period. Revocation of the waiver is an election of COBRA continuation coverage. However, if a waiver is later revoked, coverage need not be provided retroactively (that is, from the date of the loss of coverage until the waiver is revoked). Waivers and revocations of waivers are considered made on the date they are sent to the Plan Administrator or its designee, as applicable.

9. **Is COBRA coverage available if a Qualified Beneficiary has other group health plan coverage or Medicare?**

Qualified Beneficiaries who are entitled to elect COBRA continuation coverage may do so even if they are covered under another group health plan or are entitled to Medicare benefits on or before the date on which COBRA is elected. However, a Qualified Beneficiary's COBRA coverage will terminate automatically if, after electing COBRA, he or she becomes entitled to Medicare or becomes covered under other group health plan coverage (but only after any applicable preexisting condition exclusions of that other plan have been exhausted or satisfied).

10. **When may a Qualified Beneficiary's COBRA continuation coverage be terminated?**

During the election period, a Qualified Beneficiary may waive COBRA continuation coverage. Except for an interruption of coverage in connection with a waiver, COBRA continuation coverage that has been elected for a Qualified Beneficiary must extend for at least the period beginning on the date of the Qualifying Event and ending not before the earliest of the following dates:

- a. The last day of the applicable maximum coverage period.
- b. The first day for which Timely Payment is not made to the Plan with respect to the Qualified Beneficiary.
- c. The date upon which the Employer ceases to provide any group health plan (including a successor plan) to any employee.
- d. The date, after the date of the election, that the Qualified Beneficiary first becomes covered under any other Plan that does not contain any exclusion or limitation with respect to any pre-existing condition, other than such an exclusion or limitation that does not apply to, or is satisfied by, the Qualified Beneficiary.
- e. The date, after the date of the election, that the Qualified Beneficiary first becomes entitled to Medicare (either part A or part B, whichever occurs earlier).
- f. In the case of a Qualified Beneficiary entitled to a disability extension, the later of:
 1. (i) 29 months after the date of the Qualifying Event, or (ii) the first day of the month that is more than 30 days after the date of a final determination under Title II or XVI of the Social Security Act that the disabled Qualified Beneficiary whose disability resulted in the Qualified Beneficiary's entitlement to the disability extension is no longer disabled, whichever is earlier; or
 2. the end of the maximum coverage period that applies to the Qualified Beneficiary without regard to the disability extension.

The Plan can terminate for cause the coverage of a Qualified Beneficiary on the same basis that the Plan terminates for cause the coverage of similarly situated non-COBRA beneficiaries, for example, for the submission of a fraudulent claim.

In the case of an individual who is not a Qualified Beneficiary and who is

receiving coverage under the Plan solely because of the individual's relationship to a Qualified Beneficiary, if the Plan's obligation to make COBRA continuation coverage available to the Qualified Beneficiary ceases, the Plan is not obligated to make coverage available to the individual who is not a Qualified Beneficiary.

11. **What are the maximum coverage periods for COBRA continuation coverage?**

The maximum coverage periods are based on the type of the Qualifying Event and the status of the Qualified Beneficiary, as shown below.

- a. In the case of a Qualifying Event that is a termination of employment or reduction of hours of employment, the maximum coverage period ends 18 months after the Qualifying Event if there is not a disability extension and 29 months after the Qualifying Event if there is a disability extension.
- b. In the case of a covered Employee's enrollment in the Medicare program before experiencing a Qualifying Event that is a termination of employment or reduction of hours of employment, the maximum coverage period for Qualified Beneficiaries other than the covered Employee ends on the later of:
 1. 36 months after the date the covered Employee becomes enrolled in the Medicare program; or
 2. 18 months (or 29 months, if there is a disability extension) after the date of the covered Employee's termination of employment or reduction of hours of employment.
- c. In the case of a Qualified Beneficiary who is a child born to or placed for adoption with a covered Employee during a period of COBRA continuation coverage, the maximum coverage period is the maximum coverage period applicable to the Qualifying Event giving rise to the period of COBRA continuation coverage during which the child was born or placed for adoption.
- d. In the case of any other Qualifying Event than that described above, the maximum coverage period ends 36 months after the Qualifying Event.

12. **Under what circumstances can the maximum coverage period be expanded?**

If a Qualifying Event that gives rise to an 18-month or 29-month maximum coverage period is followed, within that 18- or 29-month period, by a second Qualifying Event that gives rise to a 36-months maximum coverage period, the original period is expanded to 36 months, but only for individuals who are Qualified Beneficiaries at the time of and with respect to both Qualifying Events. In no circumstance can the COBRA maximum coverage period be expanded to more than 36 months after the date of the first Qualifying Event. The Plan Administrator must be notified of the second qualifying event within 60 days of the second qualifying event. This notice must be sent to the Plan Administrator or its designee in accordance with the procedures above.

13. **How does a Qualified Beneficiary become entitled to a disability extension?**

A disability extension will be granted if an individual (whether or not the covered

Employee) who is a Qualified Beneficiary in connection with the Qualifying Event that is a termination or reduction of hours of a covered Employee's employment, is determined under Title II or XVI of the Social Security Act to have been disabled at any time during the first 60 days of COBRA continuation coverage. To qualify for the disability extension, the Qualified Beneficiary must also provide the Plan Administrator with notice of the disability determination on a date that is both within 60 days after the date of the determination and before the end of the original 18-month maximum coverage. This notice must be sent to the Plan Administrator or its designee in accordance with the procedures above.

14. **Does the Plan require payment for COBRA continuation coverage?**

For any period of COBRA continuation coverage under the Plan, Qualified Beneficiaries who elect COBRA continuation coverage may be required to pay up to 102% of the applicable premium and up to 150% of the applicable premium for any expanded period of COBRA continuation coverage covering a disabled Qualified Beneficiary due to a disability extension. Your Plan Administrator will inform you of the cost. The Plan will terminate a Qualified Beneficiary's COBRA continuation coverage as of the first day of any period for which timely payment is not made.

15. **Must the Plan allow payment for COBRA continuation coverage to be made in monthly installments?**

Yes. The Plan is also permitted to allow for payment at other intervals.

16. **What is Timely Payment for COBRA continuation coverage?**

Timely Payment means a payment made no later than 30 days after the first day of the coverage period. Payment that is made to the Plan by a later date is also considered Timely Payment if either under the terms of the Plan, covered Employees or Qualified Beneficiaries are allowed until that later date to pay for their coverage for the period or under the terms of an arrangement between the Employer and the entity that provides Plan benefits on the Employer's behalf, the Employer is allowed until that later date to pay for coverage of similarly situated non-COBRA beneficiaries for the period.

Notwithstanding the above paragraph, the Plan does not require payment for any period of COBRA continuation coverage for a Qualified Beneficiary earlier than 45 days after the date on which the election of COBRA continuation coverage is made for that Qualified Beneficiary. Payment is considered made on the date on which it is postmarked to the Plan.

If Timely Payment is made to the Plan in an amount that is not significantly less than the amount the Plan requires to be paid for a period of coverage, then the amount paid will be deemed to satisfy the Plan's requirement for the amount to be paid, unless the Plan notifies the Qualified Beneficiary of the amount of the deficiency and grants a reasonable period of time for payment of the deficiency to be made. A "reasonable period of time" is 30 days after the notice is provided. A shortfall in a Timely Payment is not significant if it is no greater than the lesser of \$50 or 10% of the required amount.

17. **Must a Qualified Beneficiary be given the right to enroll in a conversion**

health plan at the end of the maximum coverage period for COBRA continuation coverage?

If a Qualified Beneficiary's COBRA continuation coverage under a group health plan ends as a result of the expiration of the applicable maximum coverage period, the Plan will, during the 180-day period that ends on that expiration date, provide the Qualified Beneficiary with the option of enrolling under a conversion health plan if such an option is otherwise generally available to similarly situated non-COBRA beneficiaries under the Plan. If such a conversion option is not otherwise generally available, it need not be made available to Qualified Beneficiaries.

18. How is my participation in the Health Flexible Spending Account affected?

You can elect to continue your participation in the Health Flexible Spending Account for the remainder of the Plan Year, subject to the following conditions. You may only continue to participate in the Health Flexible Spending Account if you have elected to contribute more money than you have taken out in claims. For example, if you elected to contribute an annual amount of \$750 and, at the time you terminate employment, you have contributed \$400 but only claimed \$200, you may elect to continue coverage under the Health Flexible Spending Account. If you elect to continue coverage, then you would be able to continue to receive your health reimbursements up to the \$750. However, you must continue to pay for the coverage, just as the money has been taken out of your paycheck, but on an after-tax basis. The Plan can also charge you an extra amount (as explained above for other health benefits) to provide this benefit.
