Important reminders and other information

Check that your doctor has prescribed the maximum days' supply allowed by your plan (not a 30-day supply), plus refills for up to 1 year, if appropriate. Also, ask your doctor or pharmacist about safe, effective, and less expensive generic drugs.

Complete the Health, Allergy & Medication Questionnaire.

There may be a limit to the balance that you can carry on your account. If this order takes you over the limit, you must include payment. Avoid delays in processing by using e-checks or a credit card. (See Section 3 for details.)

Please take a minute to make sure that you have either filled out the credit card section on the front of this order form or included a check or money order for the required co-payment. If you elect to have this and all future orders automatically charged to your credit card, bear in mind that the automated payment plan feature will apply to all mail orders.

Express Scripts will make all possible efforts, as appropriate by law, to substitute generic formulations of medication, unless you or your doctor specifically directs otherwise.

Pennsylvania and Texas laws permit pharmacists to substitute a less expensive generic equivalent for a brand-name drug unless you or your doctor directs otherwise.

Check the box if you do not wish a less expensive brand or generic drug.

Please note that this applies only to new prescriptions and to any refills of that prescription.

For additional information or help, visit our website via **bcbsm.com** or call Member Services at 1-800-903-8346.

Federal law prohibits the return of dispensed controlled substances.

The **Medco Pharmacy** is now a part of the Express Scripts family of pharmacies.

Place your prescription(s), this form, and your payment in the envelope provided. Do not use staples or paper clips.
